Item (ii) Duty allowance of women teachers

Rs 12,732 :- In his note on revision

of Salaries Mr Kuapp suggested the marginally noted scale of pay for teachers in the Elementary

Schools for boys and recommended that teachers in girls' schools be given in addition

duty allowances so that their total emoluments may be as follows:-

Teachers of the -	Framed	Unframed
Lower Elementary grade	22½ - 1½ - 45	20
Higher do	27½ - 1½ - 50	25
Secondary grade	45 - 3 - 90	30

For allowing duty allowances on this scale to teachers in the Training Schools for women, it is provided in the budget at the instance of the D.P.D. a sum of Rs 12,732. The revision of the salaries of these teachers is long pending and it would be difficult to get them and retain them unless their salaries are increased. The provision is therefore very necessary and cannot be deleted.

The term "duty allowance" is perhaps
unfortunate. The allowances are
for teachers in the model schools
attached to training schools ^{from} ~~as an~~
integral part of the revision of salaries
of women teachers.
