The M.S.C.'s propose the abolition of the post of Supt. of Sanskrit Schools. The Inspecting Agency for Sanskrit Schools consists of one Supt in the M.S.C. and two Supervisors in the cadre of Supervisors of Elementary Schools. Prior to 1912 there was only one Sub-assistant Inspector for the inspection of Sanskrit Schools. In G.O. No. 223 Ed., 29.3.12, the Govt. sanctioned the employment of two Supervisors of Sanskrit Schools to work under the ~~Supt~~ Sub Asst. Inspector whose designation was also changed into Supt. of Sanskrit Schools. The ~~Supt~~ Supervisors work under the Supt., who secures uniformity of aim and policy in the development of Sanskrit education. Vide para 6 of the Director's letter on page 12 of G.O. 223, 29.3.12.

2. Attention is invited to the letter from the Govt. of India No. 800, 23.4.12 printed on pages 2-3 of G.O. 375, 21.5.12. The Govt. of India attach great importance to the encouragement of ancient learning of the country and the improvement of instruction in the classical languages of India. In

The D.O. has recently reported the employment of two Sub. Asst. Inspectors in Sanskrit Schools in place of the two Supervisors with the increasing of the no. of Sanskrit schools to be inspected. (since negative)

(U)

That letter the Govt. of India recommended among other measures, for the improvement of Sanskrit learning, the appointment of specially qualified inspectors. - Vide para 4 (4) of the letter on page 3 of G.O. 375, 8/1-5-12. Vide also His Govt.'s reply in para 6 of letter No. 116, 8/6-2-15. The existing staff is the minimum that will be necessary for the inspection of Sanskrit Schools. In the circumstances, it does not seem possible to abolish the post of Supt. and the resolution may, it is submitted, be opposed.

There is really nothing to say. The motives underlying the proposal are obvious enough. If Sanskrit education is to flourish, it must be looked after into - inspection. If public funds (grants & scholarships) are to be paid to Sanskrit institutions, Govt. must be satisfied that they are properly utilised.

Mr. O. TANIKACHALA CHETTIYAR :—"Sir, the resolution I am to move is—

40. That under 31-D (b) (iv) Education—Special the provision of Rs. 3,000 for a Superintendent of Sanskrit Schools be omitted (Budget page 136).

"I have not heard from the Government how many schools there are which have to be superintended with this grant that is being made. If it is only for one school which is located in a very wealthy locality, I think I must object to this on the ground that the money might be more usefully employed for other educational purposes."

The Hon'ble Diwan Bahadur A. SUBBARAYULU REDDIYAR :—"The number of schools is 269, scattered throughout the whole Presidency."

The motion was by leave withdrawn.

The following motions, No. 41 standing in the name of Mr. M. C. Raja and Nos. 42 and 43 standing in the name of Mr. T. A. Ramalinga Chettiyar, were not moved by them and were therefore deemed to have been withdrawn :—

41. That under 31-D (b) (iv). Education—Special the provision of Rs. 3,000 for a Superintendent of Sanskrit Schools be omitted (Budget page 136).

42. Delete Rs. 3,000, salary of Superintendent of Sanskrit Schools (Budget page 136).
