There is no supervisor of Muhammadan schools
in the Trichinopoly range and that range includes
the whole of Trichinopoly district. I suggest the
following answers:-

- (a) A Sub Assistant Inspector of schools
inspects all Muhammadan schools in Salem, Coimba-
tore, the Nilgiris and Trichinopoly;
- (b) He inspects recognised Muhammadan schools
in these districts, 105 in number, once every year;
- (c) The answer is in the negative. The num-
ber of recognised Muhammadan schools in this range
has increased by 18 during the last quinquennium;
- (d) The Director of Public Instruction is
at present considering the desirability of strength-
ening the Muhammadan inspecting agency;
- (e) The answer is in the affirmative;
- (f) The answer is in the negative;
- (g) Government do not propose at present
to acquire a site for this school.
