Question.

Mr. K. Sarabā Reddi.

The Law (Education) Department.

327. To ask the Hon'ble the Minister
for Education —

(a) whether it is the rule of
the department of Education that
Matriculates and Under-graduates
in the subordinate branch of ^{the} educa-
tional service are not eligible to
be appointed as Sub-assistant Inspect-
-ors though they are declared by
the local Inspectors of schools
to be competent in virtue of their
long service and individual merits;

(b) whether the Government
^{propose} will be pleased to consider the
cases of such men especially in
the Ceded districts which are back-
ward in literacy;

(c) whether in the general
retrenchment the agency of supervis-
ors will be abolished and, if so,
to inform the House what ^{Government} are
going to do with the men in service.

R.B.

Law (ES) Sept

clause (a) of the question

There is no such rule as that referred to by the H.L.C though in practice only B.A. L.T's are appointed as Sub-assistant Inspectors.

2. clause (b) . It does not appear to be necessary to make any deviation from the practice hitherto followed in the Department in regard to the recruitment of Sub assistants. If there are really capable ~~and~~ under-graduate in the Subordinate Service who are fit for promotion ^(a. Sub assst) ~~to the~~ ~~Subordinate Service~~ their claims will no doubt be considered by the Director

3. clause (c)

In ~~rep~~ his reply to the general reference regarding the retrenchment of expenditure by 20 percent the D.P. I has proposed that Supervisors' posts may be abolished. The Director has also suggested ~~that~~ how the existing incumbents may be provided for. Intimation has, however, been received that His Excellency ~~consider~~ does not consider that any retrenchment is expedient in the Budget provision under the head

Para (28) - p. 7 of the D.P. I letter (R)
(Removed & dealt with separately)

31. Education. The proposal has to go before the Honble the Minister. In the meanwhile, it may perhaps be sufficient if the M.L.C is informed that the Govt have not yet come to a decision on the question of the abolition of the posts of supervise 4. The D.P. I may be requested to offer his remarks.

I suggest the following:-

- (a) The answer is in the negative;
- (b) Government understand that the Director of Public Instruction considers the claims of all trained under-graduates in the Department who have passed the Sub Assistants' test in filling up vacancies in the Sub Assistant Inspectors' cadre.
- (c) The matter is under consideration.
