Letter—from R. LITTLEHAILES, Esq., M.A., M.L.C., Director of Public Instruction.
To—the Secretary to Government, Law (Education) Department.
Dated—Madras, the 19th August 1921.
No.—Ref. 6379.

With reference to G.O. No. 944, Law (Education), dated 21st June 1921, requesting me to report the steps that should be taken to enable Muhammadans and backward class pupils and students to study in all private aided schools and colleges on the payment of half fees, as is the case in all Government educational institutions other than elementary schools, I have the honour to suggest the following amendments to the Madras Educational Rules and the Grant-in-Aid Code :—

(i) Rule 93, Madras Educational Rules.—The words “subject to the grant of the concessions admissible under Rule 102” may be inserted at the beginning of the rule.

(ii) Rule 32 of the Grant-in-Aid Code.—The word ‘will’ may be substituted for ‘may’ in the 8th line of the rule which will then read ‘provided that the allotment ordinarily admissible will be increased by half the amount, etc.’

(iii) Rule 40 of the Grant-in-Aid Code.—The following proviso may be added :—“provided that the allotment ordinarily admissible will be increased by half the amount of the fee-income foregone under article 102 of the Madras Educational Rules in respect of Muhammadans, Oriyas and girls and members of the backward classes and castes.”

2. With reference to the concluding portion of the resolution in which these concessions were recommended, I beg to add that with the amendments suggested above, grants will, subject to budget provision, be paid to those schools which otherwise would not earn grants under the provisions of the Code, but which admit Muhammadans, Oriyas and girls and members of backward classes and castes at half the standard rates. In all cases in which these schools apply for the grant the claim will be considered when the Director assigns teaching grants to the several institutions.

Order—No. 1405, Law (Education), dated 26th September 1921.

At a meeting of the Legislative Council, held on the 14th February 1921, the Government accepted a resolution moved by Khan Bahadur Muhammad Usman Sahib Bahadur relating to the admission of Muhammadan pupils in private aided institutions in the following terms :—

“That this Council recommends to Government to take early steps for enabling Muhammadan and backward class pupils and students to study in all private aided schools and in all colleges on half-fee as is the case in all Government
