R.R.R. 28.6.21

In para 2 of the Director's
letter it is stated that the original
permission to publish the book was
given by the D. P. D. ^{in 1910} It is not
known what, (if any), conditions were
imposed on that occasion. The latter
portion in the present draft was
deeded out so that the permission
now to be given may not conflict
with the terms of the original
permission. The Director's office
was telephoned to to furnish a
copy of the Director's Proc. of 1910.
It had not yet been received.

It is unlikely that
this will not be one
