Clause (a):

It is not known what the ~~Committee~~ members mean when they say 'the rural areas of Trichy, Tirunelveli and Madurai'. Under Sec. 44 of the Madras Elementary Education Act, it is the Municipal Council or the Taluk Board, as the case may be, that has to decide whether elementary education should be made compulsory in any local area under its jurisdiction. A resolution so passed by such authority has to be accepted by the Local Govt. under Sec. 45 of the Act. So far no such resolution has been received by Govt.

Clause (b):

This ~~part~~ part of the question seems vague. ~~Govt. has~~ ~~information in respect of Govt. and~~ ~~private~~ schools only. If the ~~Committee~~ members refer to schools, both Govt. & non-Govt. ~~Govt.~~ the information is not available.

does not also furnish the information

Clause (c):

to such resolution has been
received by Govt. It is not known whether
a copy of the resolution has been received in
the S.P.D.'s office.

Clause (d) & (e):

Attention is invited to para 3(b)
of the S.P.D.'s letter at page 3 of G.O. 724,
28th d. the 3.7.15. The need for
a Muhammadan Secondary School
in Richey, which ranks next
to Madras and Calicut in point of
Muhammadan education has been
recognized by Govt. and it is with
this and in view that the Govt.
took over in July 1919 the
Islamiah School with its a view
to its ultimate development into
a High School. There is no
proposal at present with
Govt. for raising the status of the
School. Any further development to
the School can only be done
after the question of legal transfer
has been settled. It may be
mentioned incidentally that the
very same member has brought
forward a resolution for raising

The Municipal Muhammadan elementary school at Vellore has recently been converted into a middle school. Two ^{Muslim} (Municipal) elementary schools under private management have recently been raised to the status of secondary schools, viz., (1) the Himayathool Islami Anglo-Arabic school, Calicut; and (2) Madarasa Mahumadiya Middle school, Calicut. I have already noted in connection with the coordinate resolution that I propose submitting to Government proposals for raising the Government Islamiah Secondary school into a High School. I suggest that the answers be as follow:-

- (a) Nil
- (b) Three schools, one under public and two under private management; have recently been converted into secondary schools;
- (c) The answer is in the affirmative;
- (d) The Government are not aware of this;
- (e) The answer is in the affirmative.
