As according to the Madras Elementary Education Act No. VII of 1920, all grants to aided elementary schools are hereafter to be disbursed by the District Educational Councils, I have the honour to request that Government will be so good as to place the following amounts at the disposal of the District Educational Councils mentioned below for payment during the current official year of arrears of teaching grants due for last year on account of the failure—frequently for no deliberate fault of their own of the correspondents of the schools to cash the teaching grant bills issued last year. It has been the practice hitherto for the Inspectors and Inspectresses to sanction payments of arrear teaching grants—vide G.O. No. 803, Home (Education), dated 21st June 1918.

Memorandum No. 2335/A-2, Law (Education), dated 15th July 1921.

As the arrear teaching grants in question relate to the past official year, it has been suggested that their disbursement may well be undertaken and completed by the regular inspecting agency instead of by District Educational Councils. The grants may, if necessary, be called *special* grants. The Director of Public Instruction is requested to report whether there is any objection to the adoption of the above course.

To--the Secretary to Government, Law (Education) Department.
Dated--Madras, the 19th August 1921.
No.--Ref. on Cur. 4131.

With reference to Government Memorandum No. 2335/A-2, dated 15th July 1921, I have the honour to state that, under section 24 (g) and section 28 (i) of the Madras Elementary Education Act of 1920, it appears to me to be illegal for Government to disburse grants-in-aid of elementary education except through the District Educational Councils, and that I would not advise the introduction into the Legislative Council of a supplementary bill to legalise the procedure suggested in the memorandum quoted above. I beg to add that whether they are called 'special grants' or ordinary grants is besides the point; they are grants-in-aid to elementary schools under *private* management.

LAW (EDUCATION) DEPARTMENT.

NOTES CONNECTED WITH G.O. No. 1424, LAW (EDUCATION),
DATED 27TH SEPTEMBER 1921.

[SUBJECT.—Disbursement of arrear teaching grants by District Educational Councils.]

From the Director of Public Instruction, R.O.C. No. 4131, dated 9th May 1921.

One of the duties of District Educational Councils is to disburse all sanctioned grants-in-aid to elementary schools under private management from funds placed at their disposal by Government—cf. section 24 (1) (g) of the Act. At the present moment all District Educational Councils have not got into working order and in a number of cases the President has yet to be appointed or elected. It is therefore doubtful whether it is expedient at present to entrust any payment of money as proposed by the Director of Public Instruction to the Councils while their machinery is necessarily imperfect. The arrear teaching grants in question relate to the previous year and have been sanctioned already by the official agency. It seems better that the disbursement of these arrears is undertaken and finished by the regular inspecting agency. The grants in respect of the current year may, no doubt, be entrusted to District Educational Councils and by the time these grants become payable, the Councils will have started work and got into some touch with the various elementary schools committed to its charge. For orders.

E.A.V.—14-5-21. S.A.—16-5-21.

The Councils have been constituted. If they have not started working, it is probably due to want of work. By assigning the present duty of paying arrear dues we may start them on work. It is only a formal matter. Under section 24 (1) (g) the duty of *disbursing* sanctioned grants is also the work of the Councils. We may approve the Director of Public Instruction's proposal.

The wonder is that such a large amount as Rs. 1,18,100 should have fallen into arrears. Apparently this system has been going on for years. Arrear payment in large proportions in one year will breed arrear payments every year unless additional funds are allotted in any particular year to clear off both arrears and current dues.

C. RAMANUJA ACHARIYAR—20-5-21.

I would sanction these particular grants for the specific purpose of paying arrears of teaching grants due for last year as assessed by the Director of Public Instruction.

R. RAMACHANDRA RAO—30-5-21.

FINANCE DEPARTMENT.

The case relates to the disbursement of arrear teaching grants of last year. The Director of Public Instruction and the Law (Education) Department are in favour of entrusting this to the newly constituted District Educational Councils. Orders are requested whether this proposal may be accepted or whether the grants may

Yes.

be disbursed through the usual official agency as the grants do *not* relate to this year, but to the last year.

The Finance Department advise that the arrear grants in question may be disbursed through the official agency. Orders are solicited as to the reply to be given to the Director of Public Instruction.

[Memorandum No. 2335, dated 15th July 1921.]

From the Director of Public Instruction, R.O.C. No. 4131, dated 19th August 1921.

Submitted for orders whether in view of the opinion now expressed by the Director his original proposal to place the amounts specified at the disposal of the District Educational Councils concerned may be approved with the concurrence of Finance.

E.A.V.--22-8-21. C.R.--23-8-21.

It is immaterial to the Finance Department who disburses the grant—the Educational Councils or the Inspecting officers. The Educational Councils have the power to disburse the grants under section 24 (1) (g) and this section does not restrict the power of these Councils to the distribution of current grants alone.

P. C. DUTT--25-8-21.

FINANCE DEPARTMENT.

Please see the Finance Department notes on page 1 ante. Submitted for orders whether in view of the Director of Public Instruction's opinion that it would be illegal to disburse the grants otherwise than through the District Educational Councils, the proposal to disburse the grants through them may be accepted.

It is now proposed to disburse the grants for the current year and arrears relating to the past year through the agency of the District Educational Councils.

LAW (EDUCATION) DEPARTMENT.
NOTES CONNECTED WITH G.O. No. 1424, LAW (EDUCATION),
DATED 27TH SEPTEMBER 1921.

[SUBJECT.—Disbursement of arrear teaching grants by District Educational Councils.]

From the Director of Public Instruction R.O.C. No. 4131, dated 9th May 1921.

One of the duties of District Educational Councils is to disburse all sanctioned grants-in-aid to elementary schools under private management from funds placed at their disposal by Government—c.f. section 24 (1) (g) of the Act. At the present moment all District Educational Councils have not got into working order and in a number of cases the President has yet to be appointed or elected. It is therefore doubtful whether it is expedient at present to entrust any payment of money as proposed by the Director of Public Instruction to the Councils while their machinery is necessarily imperfect. The arrear teaching grants in question relate to the previous year and have been sanctioned already by the official agency. It seems better that the disbursement of these arrears is undertaken and finished by the regular inspecting agency. The grants in respect of the current year may, no doubt, be entrusted to District Educational Councils and by the time these grants become payable the Councils will have started work and got into some touch with the various elementary schools committed to its charge. For orders.

E.A.V.—14-5-21. S.A.—16-5-21.

The Councils have been constituted. If they have not started working, it is probably due to want of work. By assigning the present duty of paying arrear dues we may start them on work. It is only a formal matter. Under section 24 (1) (g) the duty of *disbursing* sanctioned grants is also the work of the Councils. We may approve the Director of Public Instruction's proposal.

The wonder is that such a large amount of Rs. 1,18,100 should have fallen into arrears. Apparently this system has been going on for years. Arrear payment in large proportions in one year will breed arrear payments every year unless additional funds are allotted in any particular year to clear off both arrears and current dues.

C. RAMANUJA ACHARIYAR—20-5-21.

I would sanction these particular grants for the specific purpose of paying arrears of teaching grants due for last year as assessed by the Director of Public Instruction.

R. RAMACHANDRA RAO—30-5-21.

FINANCE DEPARTMENT.

The case relates to the disbursement of arrear teaching grants of last year. The Director of Public Instruction and the Law (Education) Department are in favour of entrusting this to the newly constituted District Educational Councils. Orders are requested whether this proposal may be accepted or whether the grants may be disbursed through the usual official agency as the grants do not relate to this year, but to the last year.

Yes.

It is immaterial to the Finance Department who disburses the grant/the Educational Councils or the Inspectors officers. FINANCE DEPARTMENT.

Please see the Finance Department notes on page 1 ante et seq, submitted for orders whether in view of the Director of Public Instruction's opinion that it would be illegal to disburse the grants otherwise than through the District Educational Councils, the proposal to disburse the grants through them may be accepted.
