Sir,

I have the honour to report that in accordance with the wishes of Government I have investigated the ^{possibility} feasibility of raising the Civil Orphan Asylum to a High School and that I have instructed the Inspector of European Schools, to see that the grade of the -- school is raised from January next by the opening of the VIII standard. The cost of the proposed additional staff for the last two months of the financial year (approximately Rs. 700) will be met from the sum of Rs. 18,500/- recently sanctioned by Government as additional fixed grants to European Schools. The cost of initial equipment amounts to Rs. 3000/- but owing to shortage of funds this sum cannot be met from the European budget. I therefore propose to meet it by re-appropriation from lump provisions in the Non-Euro-

to the D.P.S.
he allowed Rs. 13,000 in the budget
for the current year as a lump
provision for increase in postal &
telegraph rates. On examination
it has been found that Rs. 10,000
will suffice & this amount is now
being allotted. but I do not think
the D.P.S. can be allowed to
utilise the balance for other
purposes & he may resume
the Rs. 3,000 & suggest that the
charge for equipment for the
Asylum should be put off to
next year.
