Attention is solicited to

the notes in G.O. No. 572, of 4-5-20, relating to a resolution moved by the same ~~additional~~ member in the Leg. Council meeting of 5th Feb 1920, recommending an increased provision under Education towards free studentships and scholarships in Secondary Schools.

2 The recommendation of the Educational Conference of 1916 in this respect was not accepted by Govt. - para 7 (1) of G.O. No. 112, of 25-1-19, - and the D.P.D. was requested to re-examine the question and submit further proposals. In para 7 of his letter No. No. 1091/19, of 2-2-20, the D.P.D. recommended that the proposal of the conference be dropped, the object contemplated being attained by a gradual increase of Govt. scholarships. The then H.M. (Mr. Knapp) ^{however} noted in favour of the proposal of the Edl. Conference of 1916, but ordered that the question should be tacked on to that of raising fees in secondary schools. In his letter No. 3718/20, of 4-1-21, the Director has suggested the constitution of a committee to

to consider this ^{matter} ~~question~~ and the question is under consideration. Vide linked file II.
