In this connection I submit the report of the Inspector of Schools, Madras and Chingleput, which indicates that the pupils are fit for the S.S.L.C. course. p2 infra

Copy of report from the Inspector of Schools, Madras and Chingleput, dated 29th July 1921.

There are in the Sixth Form 11 pupils who are likely to appear for the examination. Of these, 8 have put in a 3 years course in the National School, 2 have put in 2 years and 1 joined this year. These three were at Madanapalle before joining the National School.

Attendance registers have been separately maintained, and all the pupils fulfil the conditions of attendance required by Article 11 (2) of the Notification and Examination Rules for Secondary School Leaving Certificates.

The course of studies cover the subjects laid down in the notification in the A, B and C groups.

Progress reports and examination marks have been kept and from these it will be quite possible to prepare the S.S.L. certificates of these pupils.

All of them will be over 15 years of age before the examination.

There are 9 pupils in Form V, 8 will have completed two years course in April and one, who did the Fourth Form course at Madanapalle, will have completed one year in the National School in April.
