Sir,

I have the honour to request that Government may be pleased to sanction an expenditure of Rs.2970 during the current official year towards the charges for providing conveyances for those students of the Queen Mary's College who attend the Presidency College for part of their work in groups i and ii of the Intermediate course.

2. In G.O.No.620 Law (Education) dated 19th April 1920 sanction was accorded to an expenditure not exceeding Rs.192 per mensem during the academic year 1920-21 for providing conveyances.

conveyances for the students of the college. The Principal of the college reports that as the number of students attending the Presidency college has increased from 38 in 1920-21 to 68, it has become necessary

to engage 8 jutkas for 25 days in a month at a cost of Rs.400 per mensem as against 4 for 21 days in the previous year. The

Principal further reports that the local motor transit companies demand Rs.200 per week for conveying the students to the Presidency College. Excluding vacations and holidays the expenditure in the current academic year is estimated to amount to Rs.2970. As this arrangement is the cheapest possible and as the expenditure on this account is necessary so long as provision for instruction in Science is not made in the college itself, I request that Government may be pleased to sanction the expenditure which can be met from the provision for other contingencies of the college.

I have the honour to be,
