Sir,

Miss Ebbutt, Superintendent, Presidency Training School for mistresses, Egmore applies for an advance to purchase a motor car for the following reasons.

1. The daily fatigue entailed by the long drive before and after the day's work in school must be injurious to efficiency and in the long run to health.

2. The time thus wasted is an important consideration in the day of a very busy woman.

3. As a District Commissioner of the Girl Guides she has four companies to inspect, as far apart as Georgetown, Vepery, St. Thomas Mount and Egmore and the possession of a car

would add greatly to her power of helping the guides to keep efficient.

4. She is a member of the Board of management of the Young Women's Christian Association and also of the committee of the old students association of the Queen Mary's College and is keenly interested in the success of the Ladies Recreation Club. All these activities are of value from the educational point of view and she is greatly hampered in them by the loss of time involved in driving.

5. The difficulty of finding a suitable horse would also be lessened if she could go further afield, as she could with a car.

2. I agree with the above statements and recommend that Government may be pleased to sanction an advance of Rs. 2100 under Article 137 i (ii) Volume I of the Civil Account Code.

I have the honour to be,

S i r.
