From (Name) R. Littlehales Esq. M. A., M. L. C.,

(Designation) Director of Public Instruction,

M a d r a s

To The Secretary to the Government of Madras,

L a w (Education) Department.

Sir,

In their order No. 1494 Home(Edn) dated 26th Novem-
ber 1917, approving the Director's proposals for the provision
of the additional facilities for the education of defective --
children, Government sanctioned, among other items, Rs.3000/- as
boarding charges for the C.M.S.Schools for the Blind, Palamcotta
for 20 boys and 20 girls for 10 months calculated at the rate
of Rs.8/- per mensem for each boy and Rs.7/- per mensem for
each girl, and stated that the amount entered in the estimate
should be treated as the maximum up to which grants-in-aid may
be paid to the school. From the financial statement of the --
school for 1920-21 received from the correspondent, it is found
that the pupils admitted during the year consisted of 37 boys
and 13 girls and if the scale prescribed in the G.O. be strict

applied, boarding charges will be admissible only for 20 boys and for 13 girls. But I consider it very hard to penalize the management in the matter of grant for taking in boys in excess of 20 and girls in deficit of 20, so long as the maximum amount of boarding charges payable under the G.O. is not exceeded and -- provided that at least 40 pupils in all did receive instruction in the institution. I have, therefore, the honour to solicit the sanction of Government for paying the management the actual amount claimed under boarding charges, viz. Rs. 2942/- which is less than the maximum admissible under the G.O. quoted above. Though there were 50 children under instruction during the year many of them stayed in the institution for a shorter period than 10 months for which grants are calculated. This accounts for the actual boarding charges being slightly less than the amount payable for 40 children for 10 months.

I have the honour to be,

Sir,

Your most obedient servant.

Chakraborty

for Director of Public Instruction.
