allotting one member to represent this Municipal Council on the District Educational Council, Chingleput, I have the honour to forward a copy of the council's decision - according a Resolution brought by some of the councillors that the Government be moved to allot two representatives to be elected by this council, instead of one, in view of the existing number of the Municipal schools (28), of the population of the town (61312) and the revenue (about - Rs.150000). It is brought to notice that this Municipality

2
has been placed on a par with some of the Municipalities E.g.,
Chingleput, having schools, population and revenue considerably
less than those of this Municipality and that some others, --
having almost the same as this Municipality have been allowed
the privilege of electing two representatives. I have the --
honour, therefore, to request that, for the above reasons and --
because this ^{is} an important Educational centre, the number of --
representatives may be increased to two.

I have the honour to be,

Sir,

NOTES.

C.No.4415 From the Chairman, M.C. Conjeeveram
No.1601 dated 15th August 1921.

Subject:- Number of representatives of the
Conjeeveram Municipality on
the D.E.C. Chingleput.

U.S

Ordinarily Muncpl. Councils have been
allowed only one representative each on Dt. Edl.
Councils. In some cases however ^{two} ~~one~~ have been
allowed on the recommendation of the Collector
and D.P.I e.g. Municipalities of Chittoor,
Tirupati, Nellore, Trichinopoly, Ootacamund and
Madura, Bellary, Hospet and Adoni. Trichinopoly
and Madura are populous towns, and may ^{possibly} in course
of time be constituted into separate districts
for the purpose of the Ely. Edn Act. The case of
these municipalities ^{and of} ~~under~~ the Ootacamund Muncpl
Council is special, and cannot be cited as -
precedents. As regards the other municipalities

it is submitted that ^{representations} ~~they were allowed two each~~
in view of the comparatively small number of
missions in the district allowed the privilege
of ~~electing~~ members to the Dt. Edl. Council.
The following statement shows the number of
missions in the districts referred to allowed
the privilege of electing members.

	No. of Missions
Chingleput (Municipalities- Chingleput, Conjeeveram & Saidapet)	3
Bellary (Municipalities- Bellary Hospet & Adoni)	1
Nellore (Nellore Municipality)	
Chittoor (Chittoor & Tirupati)	2

The Nellore municipality is the only municipality
in the dt. It was accordingly allowed two representatives

under S.5(7) of the Ely. Edn Act
no. of nominated members
is limited to one fourth of the
total no. including Ex. Officio
and that if the total no. was
not made up by mission &
other bodies having electing pri-
vileges, the no. assigned to
Muncpl. bodies had to be raised by
giving 2 seats to each. On require-
ments as regards nominations
became more or less fixed - viz:
Thondu, Ladis, Mukkai, Rincham, and
Closses etc.

23.9.21

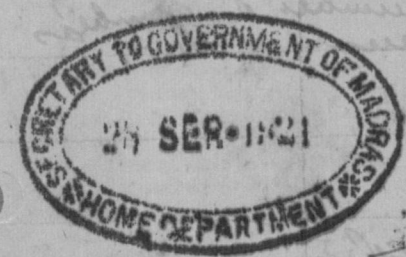

In the Council letter dated 5.9.21. Chief Secy. please see para N. The Dist Board has no members. The three District Boards have each ~~two~~ representatives. Three Christian missions have one representative each. There are 4 denominational members one of whom is the Dist Inspector of Girls' schools & the other three represent women. Panchamas & human maidens. If an additional representative is to be given to the Conjeeveram Municipality, it might increase the total number of members. This must be all the expense of the Christian missions & in place of the Dist Inspector of Girls' schools. This is hardly desirable. An additional seat may be created if it is thought that the Conjeeveram Municipality should have two representatives.

I am reluctant to increase the total strength of the CCs. I find great irregularity in fixing the strength of Municipal Councils -

6

It is in explicable but I impel, N. M. M. I am well alloted two members - one Civil, one Indian. It seems to be unfair to then Municipalities & Congressmen look as the total strength is fixed recently & one member has been alloted to Congressmen Municipality very recently, I would not allow the matter to be raised now. The request will be reasonable if after a period the expense of the part is used as a fund for widening the number of representatives.
