To The Secretary to the Government of Madras,

Law(Education) Department.

Sir,

With reference to G.O.No.791 Law(Edn) dated 24-5-21

I have the honour to submit herewith a copy of the letter No. 174 dated 14-9-1921 of the Correspondent, St. Gabriels High School Madras, requesting reconsideration of the G.O. in question with a view to permission being granted to purchase materials and -- start preliminary work for the projected Loyola College without prejudice to the question of grant in the event of Government finances being more favourable in the future, Government not determining now to consider unfavourably an application for grants for the college.

I have the honour to be,
Sir,

Your most obedient servant.

Substantive Clerk
for Director of Public Instruction.

(P.T.O.)

Copy of letter No.174 dated 14th September 1921 from the
Correspondent, St. Gabriels High School, Madras, to the Director of
Public Instruction, Madras.

In continuation of the correspondence ending with Pros.R.C.No.
5450 of 1921 dated 14th June 1921 communicating G.O.No.791 Law(Edn)
dated 24th May 1921, I have the honour to point out that no reply --
has been received up to now to the letter of Rev.F.Bertram, Corres-
pondent, dated 10-2-1921 asking permission to buy materials and to
start preliminary works for the projected Loyola College, before ----
detailed plans and estimates are sanctioned, without prejudice to a
possible future grant, and I have the honour to renew the request.

I do not suppose for a moment that the G.O.referred to above should
be understood as putting a stop to the work but quite the contrary;
in fact the Government's intention seems to be to approve and ----
praise the whole scheme, whilst at the same time declaring that their
finances do not allow them to make any grant for the present.

Attention is invited to
the note with G.O. 791 of 24.5.21. For
orders which the D.P.I. may be
asked to inform the correspondent
that, while the Govt. have no objection
to the purchase of materials and
to the starting of preliminary work for
the projected Loyola College, they
are unable to guarantee any grant
for the present. We are in the same
position. Formal permission to
start preliminary work & purchase
materials can only be given
if there is a prospect of a grant being
sanctioned. So long as we are not
in a position to give any guarantee
of grant, the management must
act on its own authority. There is little
ground yet for reconsidering the G.O.
