R.O.C. No. 68921

Station Chittoor, Dated the 17th August 1921.

From (Name) M.R.Ry. B. Munuswami Naidu Garu, B.A.,
B.L., M.L.C.,
 (Designation) President, Dist., Edl., Council,
Chittoor.

To The Secretary to the Government of Madras,
 Law (Education) Department,
 Fort St., George.

Sir,

With reference to G.O. No.1093 Law (Education) dated 27-7-1921 stating that the establishment of the District Educational Council, sanctioned in G.O. No.516 (Education) dated 2-4-1921 is permanent but not pensionable and that the clerks employed in the above office are not eligible for any allowance in addition to the pay sanctioned in G.O. No.516 dated 2-4-1921, I have the honour to offer the following suggestions for the kind consideration and favourable orders of the Government.

In the Office of the District Educational Council many important papers have to be dealt with and also

2/ there is bound to be a good deal of correspondence. Hence competent men have to be appointed as clerks and in view of the above G.O., it is not possible to get such men. For, according to a recent G.O., in all Government Offices, the minimum pay is raised to Rs.35/- whereas the pay of the clerk is only Rs.30/- in the Council Office, as per G.O.

(E) No.516 dated 2-4-1921 and at the same time the post is neither pensionable nor eligible for any other allowance than the sanctioned pay. Therefore it is necessary in the interests of the good administration, that though the pay of the clerks in this office may not for the present be raised to Rs.35/- yet their status is raised on a par at least with the last clerk in Government Offices by their service being made pensionable.

2/ Further the Council Office may be put on a par with the District Board Office and the privilege given to the District Board Office with regard to the pension and other privileges of its establishment may also be allowed to the Council Office.

3. Under article 802 of the Civil Service Regulations the administrators of the Local Fund are admitted to make permanent arrangements for contributing pensions from the general revenues for its permanent employees by paying Government one-ninth of the sanctioned salaries of the several appointments subject to payment of the contribution at the beginning of every month and subject to the audit of the bills of the establishment by the Government.

May 6/ Further in G.O. No.1755 Local and Municipal Department dated 20-11-1920 minor Unions under the administration of the Local Funds, whose funds are not banked in the Government Treasury, and whose accounts are not audited by the Government, are also allowed to pay pensionary contribution to the clerks in the superior service amending article 802 of the Civil Service Regulations.

3. 4/ And as the Fund of the District Educational Council is also banked in the Government Treasury and the Examiner of Local Funds Accounts, who is auditing the Accounts of the Local Funds, is authorised to audit also the accounts of the District Educational Council, I would strongly urge that the Government will be pleased to make the clerical establishment of the Council pensionable, and keep the council equal in status with the District Board.

5/ Again if Government servants are taken into the employ of the District Educational Council, the council has to pay one-fourth of the sanctioned pay as pensionary contribution and leave allowance (vide article 770 of the Civil Service Regulations), whereas if the name of the Council is included under article 802 of the Civil Service Regulations only one-ninth of the sanctioned salary has to be paid as pensionary contribution.

6/ I therefore request that you will be pleased to move the Government to be good-enough to reconsider G.O.

(E) No.516 (Education) dated 2-4-1921 and make the establishment of the District Educational Councils also pensionable, and further to move the Government of India if necessary to amend article 802 of the Civil Service Regulations by including also the administrators of the Fund of the District Educational Council to the benefit of that article. (1) (2)

I solicit the favour of early orders.

I have the honour to be,

Sir,

Your most obedient servant,

B. Annisani Udas

District Educational Council,

SIR,

Hi-Sanku

In reply to Government Endorsement 4030 A - 1 dated 24th August 1921 referring to me for remarks letter R.O.C. No. 68 of 1921 dated 17th August 1921 from the President, District Educational Council, Chittoor proposing to make the establishment of the District Educational Council pensionable, I have the honour to point out that the resources of the Council are limited by Section 28 of Act VIII of 1920 and that the office establishment charges are for the time-being met from Government grants.

(2) In these circumstances, it is for consideration whether the decision on the point raised by the President, District Educational Council, Chittoor should not be deferred until the finances of the District Educational

Councils permit of the concession asked for being granted.

(3) If, on the other hand, Government is pleased to view the proposal favourably, the concurrence of the Accountant-General will be necessary to make the establishments pensionable under Article 802 of the Civil Service Regulations by making a contribution at 1/9 of the sanctioned salaries. A better course, however, would seem to be to introduce a Provident Fund on the lines of the one now in force for Municipalities and Local Boards ---vide G.O. 52 L., dated 20th January 1920.

I have the honour to be,
