Sir,

I have the honour to request that in the circumstances explained hereunder Government may be pleased to sanction the employment of an additional teacher on Rs.15 per mensem (exclusive of temporary additions to pay) in the Government Muhammadan Girls' School, Gunnerbeed, with effect from the 1st October 1921.

2. The average strength of the school for the year ending

ending March 1921 was 90 in 6 standards. Standard VII has since

been opened and the present strength is 100 distributed among the various classes as detailed in the margin. According to Rule 81 of the Madras Educational Rules at least 4 teachers are required for the school and as the sanctioned staff consists of only 3 teachers, 1(20), 1(15) and 1(13), an additional teacher is -- necessary. In view of the great difficulty experienced in securing qualified women teachers possessing a knowledge of Hindustani, I recommend that, pending the introduction of the revised scales of pay for women teachers in girls' schools, the pay of the additional teacher may be fixed at Rs.15 per mensem excluding temporary additions to pay.

3. The extra expenditure of Rs.112½ for 5 months in the current year can be met from the anticipated savings out of the lump provision of Rs.6 lakhs for expansion of Elementary Education in the Budget Estimate for the current year.
