Ref on Cur No. 3991/20.

Station Madras, Dated the 17 December 1920.

From (Name) The Hon'ble Mr. R.G. Grieco, M.A.

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,
 HOME (EDUCATION) Department.

(Through the Accountant-General).
 Sir,

I have the honour to request the sanction of Government for the employment of an additional assistant on Rs. 75/- per mensem exclusive of the present temporary allowance (outside the School Assistants' cadre) in the Kindergarten Department of the Teachers' College, Saidapet, temporarily for two years from 1st January 1921.

2. The Superintendent of the Kindergarten Department states her case for an additional assistant as follows :-

"In reply to your Proceedings No. 3991/20, dated 5th August, I have the honour to state that in the Kindergarten

Department there are nine classes and ten teachers (at present one teacher has been transferred and his place has not yet been filled).

"Each teacher does 24 periods of work in the week, each period consisting of 50 minutes. As the classes are large (thirty and thirty-five) and the children are small, I do not consider that any teacher could do any more periods of intelligent work than 24 periods a week on an average of 5 periods a day. If, as at the present time, one teacher is away or if any teacher is absent on casual leave the remaining teachers have necessarily to do extra work. But the reason why I requested an additional teacher in the Sub Assistants' cadre with some experience in the system was, that I myself may be relieved of some work so that I could find more time to devote to the supervising of the school work. At present my time-table is as follows :-

Actual teaching in the Kindergarten	..	10	periods a week
Lecture and Model Lesson to General	)		
L.T. Section	)	2	"
Lecture to Secondary and Manual	)		
Training students	)	1	"
Special kindergarten students'	)		
lecture and practical work	)	5	"
Supervision of classes	)	5	"
Assembly of children, attendance	)		
registers, admissions, collection	)		
of fees, issuing of receipts,	)		
interviewing parents, answering	)		
letters from parents, and teachers)	)		
asking for information from diffe-	)		
rent parts of the presidency.	)		
Taking visitors round etc.	)	3	"

"This leaves me 2 periods a week for correcting the observation note-books of special kindergarten students, general L.T. students, secondary and manual training students, also correcting of the practical and written work of the special kindergarten students ~~students~~, the correction of teaching notes of the assistants. The individual supervision of the teaching of Special Kindergarten students, and helping any student in the college with advice etc. in any of their doubts or difficulties regarding the teaching of young children and the different

systems of education etc.

"I am also inspecting the schools of Madras City on one day of the week.

"I therefore find that it is quite impossible for me to do justice to all the work I have to do without any time to do it in. I therefore propose, that if an assistant is given to me, to give him some teaching work, collection of fees and issuing of receipts, Admissions, answering letters, correction of observations and the supervision of some of the teaching."

Miss Gordon's proposal was supported by Mr. Duncan when he was at Saidapet, and from my personal knowledge of the conditions referred to by her, I too am satisfied as to the need for giving her an additional assistant of sufficiently high status so as to relieve her of some of her important work. Officers of the last class of ^{the} Sub Assistant Inspectors' cadre are in charge of Lower Elementary Training Schools, and an assistant drawing a pay corresponding to that of this class of Sub Assistant Inspectors (exclusive of the present temporary additions to pay) will, I think, answer Miss Gordon's requirements.

2. A statement of the existing staff of the Teachers' College is herewith submitted.

3. The additional expenditure involved by the proposal during the current year can be met from the anticipated savings out of the provision for 'salaries' under 22 D. Education, Colleges, Professional - Teachers' Colleges. I request further that provision for the charge may be included in the Budget Estimates for next year.

I have the honour to be,
Sir,
Your most obedient servant,

Dubonhaur Chell
for Director of Public Instruction.
