The Schedule above referred to.

5. The scholarships or either of them may be withdrawn at any time if the committee find after hearing the scholars that they or she have or has failed to make sufficient progress or have or has been guilty of misconduct or repeated breaches of discipline or for any other cause deemed sufficient by the committee.

From the Director of Public Instruction B.O.C. No. 408/10 B/20,

The intention of the donor is that the interest only should be spent for the spread of education among Hindu caste women—vide extract of Will at page 1 of G.O. No. 440, Education, dated 16th June 1894. The money has been invested in 3½ per cent loan (paragraph 2 of G.O. No. 592, dated 22nd November 1902) and the interest accruing on the sum is therefore Rs. 105 only. From rule 3 of the scheme proposed for the administration of the trust, it will be seen that two scholarships of the monthly value of Rs. 4 each tenable for the full term of years required for the completion of the Secondary school course are proposed to be instituted every year. This works out to Rs. 96 in the first year. The ultimate cost per annum if the scholarships be held from the 1st form to the 3rd form will be Rs. 2,381 and if held in forms I to VI, to Rs. 576, which exceeds the amount of interest that will be available. The draft scheme appears to require revision.
