Government of India,
DEPARTMENT OF EDUCATION, &
(Health.)
Education

Simla, the

4K October 1921
En 4902 A
8-70-21.

From

H. Sharp, Esq., C.S.I., C.I.E.,

Secretary to the Government of India,

To

The Secretary to the Government of Madras,
Law (Education) Department.

Procedure regarding requisitions for educational recruits from the United Kingdom.

Sir,

In continuation of this Department letter no.445, dated the 13th April 1920, I am directed to forward for information a copy of the communications noted in the

1. Letter to the India Office, no.55, } margin in dated the 21st July 1921.
2. Letter from the India Office, no.J. & P. } connection 4910/21, dated the 24th August 1921.

-----with the procedure to be followed in submitting requisitions for educational recruits from the United Kingdom.

2. The Government of India accept the further suggestion made by the India Office regarding educational appointments outside the Indian Educational Service. I am accordingly to request that in future all requisitions for recruits from the United Kingdom for the Indian Educational Service- both men's and women's branches- and for posts outside that service may be submitted through the Government of India.

I have the honour to be,

Sir,

Your most obedient servant,

Jodhary.

Secretary to the Government of India.

Another communication
has been received from the
Govt of India on the
subject and is
being communicated
to the OCS for perusal

3
Copy of a letter no.55-Education, dated the 21st July 1921, from the Secretary to the Govt. of India, Department of Education, to His Majesty's Under Secretary of State for India.

I am directed to refer to the Secretary of State's telegram dated the 3rd April 1920 suggesting that the Presidency Governments be asked to submit their requisitions for educational recruits in all cases through the Government of India.

2. The exact intention of the Secretary of State's suggestion is not clear. It is doubtful whether it applies merely to the submission of requisitions for recruits for the men's branch of the Indian Educational Service (in the case of whom there are special reasons for adopting this procedure) or whether it covers the women's branch of that service as well and any other educational appointments for which recruits may be required from the United Kingdom. I am accordingly to request that the Government of India may be favoured with the correct interpretation of the Secretary of State's telegram referred to above.

Copy of a letter no. J. & P. 4910/21, dated the 24th August 1921, from the Secretary, Judicial and Public Deptt., India Office, London, to the Secretary to the Government of India, Department of Education.

In reply to your letter no. 55 (Education), dated the 21st July last, regarding the procedure to be followed by the Presidency Governments in submitting applications for female educational recruits I am directed by the Secretary of State for India in Council to point out that in accordance with the procedure now prescribed, women candidates of Indian nationality or resident in India are required, as in the case of male candidates, to apply direct to their local Governments in India and not to the Board of Education. The intention was that arrangements corresponding to those outlined in paragraph 9 of the Secretary of State's despatch no. 169 (Public) dated the 27th November 1919, on the subject of the reorganisation of the Educational Services in India, should be made in the case of applications from such candidates; and the procedure under which the Presidency Governments submit their requisitions for educational recruits through the Government of India should thus apply to the men's and women's Branches of the Indian Educational Service alike.

It is considered that this procedure might also be conveniently applied to educational appointments outside the Indian Educational Service cadres for which recruits may be required from the United Kingdom.
