I understand that
the University resolved to

Para 2 of P. (3)

When the Calcutta University
 first applying for the loan of Mr. Radha-
 Krishnan's services, that body offered
 to give him a pay of Rs. 1000/- per
 mensem inclusive of contribution
 on account of leave & pension charge.
 Though his pay at that time in the Madras
 25th Service was only Rs. 350/a month,
 the Govt. fixed his pay in foreign
 service at the figure proposed by the
 Calcutta University in view of the
 special character of the post to which
 he was appointed (Art. 764 II of the
 C. S. R.). The question what should be
 the pay ^{exclusive} of the contribution
 on account of leave & pensionary charges
 was not ^{specifically} considered by Govt.

19.11
 21/11
 The University first proposed
 that the cont. shd. be paid
 by the Professor, now it offers
 to pay the cont. itself. The
 Govt. are not affected. That
 the Professor can be paid a
 higher figure or not than his

15/11/21
 pay was the only question we
 were concerned with. In view
 of the nature of the duties of the
 post, the Govt. considered that
 the Professor might be paid by the
 University the amount pro-
 posed ^(Rs. 1000-Cont.) by them. We can now agree
 to his being paid Rs. 1000 to the University
net for the work expected of him.

At
 5/10/21

What I want to know is whether
 we approve as a matter of course
 that when pay is paid by an officer
 sent by this Govt. or if there
 is any limit of pay that is paid
 when imposed by any rule in
 the C. S. R. or his practice of this
 Govt.

19/11/21

Submitted that in the case of transfer
 of officers to posts in foreign service
 the duties of which differ from those
 of his appointment under Govt. no
 limit of pay is laid down in the C. S. R.
 (see Art. 764 (II) of the C. S. R.)
 The transfer of Mr. S. Radhakrishnan to
 the Calcutta University has
 been held to fall under this category
