The Secretary to Government,
Home Department (Education),
Stone House Hill,
Ootacamund.

Sir,

I have the honor by direction of the President of the Club to address you with regard to the present financial position of the Club.

2 I enclose herewith a statement of the accounts of the Club for the year ending 30th June 1920 and also the budget for the same period. From the latter it will be seen that with 150 diners and 100 tiffin members a deficit balance of Rs. 3,666-0-0 was expected. The actual deficit however is Rs. 3,400-6-10. It was not possible to reduce it any further. The general membership was very low till September and the diners too were only a few in number. The Club was working at a loss of about Rs. 600/- a month. Strenuous efforts were made to increase the strength of the Club, with the result, that we have now 274 general members and about 100 diners. It may be pointed out that the Club was not working even with this number right through the year as the increase

increase was slow and gradual. All possible steps have been taken to maintain the Club at the minimum scale of expenditure. The establishment has remained practically the same in spite of the increase in membership. No substitute has been appointed in the place of the clerk on Rs. 40/- who left the club in January last. Even the cooks who were hitherto paid full -- salary during the vacation are to be paid only half the usual salary. Again the rates for meals and refreshments were increased from time to time. In spite of all these the enormous rise in the price of foodstuffs made it impossible to make good the deficit.

By G.O.No. 1096 dated 10th September 1919 the Government advanced Rs. 1865/- of which Rs. 413-1-0 was applied towards the deficit for the year ending 30th June 1919. Thus there is still a deficit balance of Rs. 1,948-6-10 for the year 1919-1920. I therefore request you to be good enough to sanction at your earliest convenience a further advance of Rs- 1,948-6-10 being the deficit balance to enable me to make the necessary disbursements.

A copy of the budget estimate for the year 1920-21 is forwarded herewith. No doubt it shows a deficit of Rs.736-8-0 but the subscription has since been raised by one rupee, and if the alteration of the oven about which I am addressing you

Sir,

I have the honor by direction of the President of the Club to address you with regard to the present financial position of the Club. I enclose herewith a statement of the account of the Club for the year ending 30th June 1920 and also the statement for the year ending 30th June 1919. From the latter it will be seen that the Club was in a deficit position at the end of the year 1919-1920. The deficit balance was Rs. 1,948-6-10. It was not possible to reduce it as the general membership was very low till September 1919. There were only a few in number. The Club was at a loss of about Rs. 500/- a month. At present the Club has been made to increase the strength of the Club, with a result that we have now 500 general members and 100 officers. It may be pointed out that the Club was not in a deficit position at the end of the year 1918-1919. It was in a surplus position of Rs. 1,000-0-0. The deficit balance was Rs. 1,948-6-10. It was not possible to reduce it as the general membership was very low till September 1919. There were only a few in number. The Club was at a loss of about Rs. 500/- a month. At present the Club has been made to increase the strength of the Club, with a result that we have now 500 general members and 100 officers.

Sir,

With reference to your memorandum No. 1751 A-2
dated 10th July 1920, I have the honour to report
that advances up to Rs. 2500/- will be required (in
addition to last year's deficit) to carry on the
business of the club during the official year 1920-1921.
In this connection I must state that in the budget
estimate for the year 1920-1921 a probable deficit
of Rs. 736-8-0 is shown. But in an institution like
this where no lodging is provided it is difficult
till sufficient experience is gained, to say what
the deficit will be. The club has started well
this year. In three weeks the general membership
is 114 of whom 88 are regular diners. Still to be
on the safe side I report that Rs. 2500/- will be
required.

I am directed to invite a reference to the correspondence ending with your letter No. 746, dated the 15th June 1920, on the subject of the grant of aid from Provincial funds to the Madras University Students' Club.

2. The Hony. Secy. to the club reports that, during the year ending the 30th June 1920, the expenditure on the maintenance of the Club exceeded the receipts by Rs. 1943-6-10 and requests that advance of this amount may be sanctioned from Provincial funds to enable ^{the management} ~~club~~ to meet the deficit. He ~~also~~ ^{also} reports that strenuous efforts are being made to increase the strength of the Club so as to make it nearly self-supporting in the current year. Having regard to the circumstances under which the Club was opened as detailed in my letter No. 157, dated the 2-2-20 ^{at its opening} and the hope held out at the time that any reasonable excess of expenditure over income would be met by the Local Government till the institution was rendered self-supporting, the Govr. in Council considers that the request of the Hony. Secy. for further assistance from Provincial funds cannot well be refused, ~~and~~ I am accordingly directed to solicit the sanction of the Government of India to the grant to the Club of a

SUBJECT.

Report as to the actual
deficit on the working
of the club.

From

C. Kunhi Raman, Esq., B.A., B.L., Barrister-at-Law,

Hon. Secretary, Madras University Students'
Club, Broadway.

The Secretary to Government,

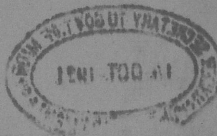

Law (Education) Department,

Fort St. George, Madras.

Sir,

With reference to your memorandum No. 3993 A-1, dated
the 31st August 1921, I have the honour to state that the
actual deficit in the working of this Club from the 16th
of January 1919 to the 30th of June 1920, excluding the
advances made by the Government, is Rs.1948-6-10.

In the circular letter dated the 7th January 1919
addressed by the Private Secretary to His Excellency the
then Governor to the Principals of the Madras Colleges,
which was confirmed in D.O. No. 211, A-2, dated the 6th
February 1919, sent from the Home (Education) Department
to the then Honorary Secretary of this Club, the Government
was pleased to undertake the financial responsibility of
meeting "such reasonable excess of expenditure over income
as may be incurred" by the Club "until the necessary
experience is gained". Evidently in accordance with this
undertaking, the Government was pleased to grant advances
to the Club, which amounted to a total of Rs.3915 which I
submit the Club is not liable, in these circumstances, to
repay. But, however, out of this amount a sum of Rs.50/-
seems to have been refunded to the Government, perhaps by
mistake, on the 18th of August 1919 by the then Secretary
of

of the Club. I have therefore the honour to request you to be so good as to make arrangements for the payment of this amount back to the Club.

I regret very much the delay in sending this reply, which is due to the change in the office of the Honorary Secretary of the Club since the receipt of your memorandum.

I have the honour to be,

17th February 1920.

Dear Ramachandra Rao,

Will you please see your D.O.No.1874 A-3 dated 13th September 1919 ?

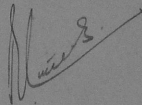

The Madras University Students' Club has been much more successful since the appointment of Lakshmana Rao as Secretary than it was formerly. I enclose a consolidated statement showing the position of the club on 31st January 1920. Up to date 246 members have joined and more are likely to join. The boarders number 92 regulars and about 5 casuals. If the club starts with the full number of members in July, as it is likely to do, it is likely to be self-supporting from that time. Up to the end of June, however, the additional amount which is estimated as necessary to maintain the club is Rs.1000/-. The club receives no receipts during May and June since the colleges are closed during these two months and no students use it. From the

1st of July the total expenditure for the year will have to be distributed throughout the months during which the club is attended by members. I thus anticipate that slightly more than Rs.2500 will be required from Government, including the amount already spent, for the first year and very little if anything during the second year and nothing in subsequent years.

Yours sincerely,

K. P. D. Lakshmanan

The Madras University Students' Club was opened in January 1919. The club's accounts are closed for the year ending 30th June. The Hon. Secy reported in August last that the accounts for the period ending 30th June 1919 closed with a deficit of Rs 363-1-0 excluding the advance ^(Rs 200) received ^{from} the foot. The total deficit for that year was therefore Rs 363-1-0 + Rs 200 ~~(the amount advanced by foot)~~ or Rs 563-1-0.

2. From the figures on the previous page it will be seen that the deficit for the year ending 30th June 1920 is estimated at Rs 1000 exclusive of the amount ^(Rs 1865) advanced by foot in this year, ~~the~~ the total deficit for this year will therefore be Rs 1000 + Rs 1865 = Rs 2865.

3. The D.T.S. ~~and~~ expects that the deficit will not amount to any appreciable sum in the next year.

4. It may also be noted here that for the ~~the~~ first half year

It may be necessary to waive the recovery of the ~~advance~~ ~~still~~ balance of the ~~back ad-~~ vances sanctioned to the club. This may be done on receipt of the report called for in G.O. The D.P.I. wants a further advance of Rs. 1000 to enable the club to run its business during the current year. He anticipates very little or no advance in future years.

The advances that have till now been sanctioned to the club are as shown below:

	Amount.

Of the above no (i) has been refunded to Govt. The balance of the advances yet due to Govt is Rs. 3865.

2. The Home (Edn) dept propose to sanction the advance of Rs. 1000 in April next. As Govt. have already promised to meet the deficit till the club is rendered self-supporting, Financial may accept the proposal. This would raise the ^{outstanding balance} ~~amount of~~ ~~balance~~ to Rs. 4865

3. The A.G. has already objected to the advances ~~addressed~~ sanctioned by this Govt. to the University Students' Club, and the Govt. of India were addressed on the subject in letter No.

It seems necessary to address the Govt. of India on this particular case and ask for early sanction to the proposals in letter No. 157 Edn 8 2.2.20.

4. The question of the recovery of the advances will have to be considered on the receipt of the report called for in para: 2 of G.O. No. 1096 Home (Edn) 8 10-9-19 which is due by the 1st August 1920.

The A.G. has stated that these
advances require the sanction
of the Secy of State and the Govt.
of India have been asked to obtain
that sanction. That Govt. have, however,
just sent an ad interim reply
stating that the local Govt. will

The Govt have definitely undertaken
to meet such reasonable excess of
expenditure over income as may
be incurred until the necessary
experience is gained of the working
of the club. It is therefore for orders
whether the Govt of India may be again
be addressed in regard to the further
advance required. That Govt may
also have to be addressed in due
course for sanction to waiving
the recovery of the advances already
sanctioned.

CN-2284A. From the Hon. Secy, Madras M. S. House
Club & 26.7.20.

p. 16 of cf.

The Hon. Secy states that it is difficult
to forecast what the deficit will be for
the year 1920-21 but that advance
up to Rs 2,500 will be required in addi-
tion to the last year's deficit, Rs 1,948.60.
The total amount required is, therefore
Rs 2,500 + 1,948.60 or Rs 4,448.60.

It is for order whether the Govt of India may be requested to sanction this sum as a further advance. [The balance ~~of~~ advances sanctioned in previous years but ~~has~~ not yet been refunded to Govt by the club is Rs. 3865/-].

Financial Dept.

Please see the financial dept note on pages 2-3 ante. The advances till now sanctioned to the University Students' Club amount to Rs. 3915/- in the aggregate, of which a sum of Rs. 50 only has been refunded. The balance due from the club is Rs. 3865/- The Home dept now propose to address India for sanction to a further advance of Rs. 5000 to the club.

$$3915 - 50 = 3865$$

The deficit in 1919-1920 was

P. 2 of:

P. 16 CF.

$$1948 + 2500 = 4468 \text{ or } 4500$$

file in P. 15 D.

$$738-6-0 = 500 \text{ (carrying in fee)}$$

$$= 238-6-0 \text{ or } Rs. 500 \text{ as a fund}$$

$$500 + 1948 = 2448 \text{ or } 2500$$

was Rs. 1948-6-10 and another of Rs. 2500 is anticipated by the Hon'g. Secretary during the current year. In the circumstances an advance of Rs. 4,500/- would seem to meet the case. But the question for consideration is whether such a large amount should be advanced to the club. Please see, in this connection, para. 4 of the Hon'g. Secretary's letter on pp 2-3 CF. Although he budgeted for a deficit of Rs. 738-8-0 in 1920-1921, he stated that there would eventually be no deficit at all if the alteration of the oven were sanctioned. This alteration has since been ordered and according to his statement, a deficit of Rs. 2,500 in 1920-1921 is evidently an overestimate. It is for consideration whether the figure may not be cut down to Rs. 500/- and sanction of India obtained to an advance of Rs. 2,500/- to the club.

$\frac{1}{20.8.20}$

There appears to be very little chance of recovering these amounts & I shall if they should be termed "advances".

Finance Department.

Please see the Finance Dept. notes on pages 5-7 ante et seq. The Govt. of India enquire whether the proposed advance of Rs.1948 to wipe off the deficit for 1919-1920 is to be eventually refunded to Govt. or whether it is to be regarded as a final grant. They also want to be informed of all the concessions granted to the Club in the past and a detailed statement showing all advances and grants-in-aid made to it from provincial funds.

2. From the notes of the Law(Edn.) and P.W.D. ~~ante~~, the list of financial concessions may briefly be summarised as shown below:-

(A) Advances from Provincial Funds:

Sanctioned in 1918-19	...	Rs. 550
-do- 1919-20	..	" 3365
	Total	Rs.3915
Deduct an advance of Rs. 50 already repaid	...	" 50
Balance outstanding	..	Rs.3865

(B) Grants from Provincial Funds for fees to the Govt. Solicitor for drafting Memorandum of Association, rules of the Club etc.

Rs. 225

(C) Public Works Expenditure incurred by Government :

(1) Works

(a) Cost of converting the Voluntary venereal hospital into a club for University students.	...	Rs.18535
(b) Providing a dining hall and kitchen	...	" 44022
(c) Reconstructing the dressing room	...	" 2762
(d) Equipment	...	" 5328
(e) Putting up taps in hot-water room	...	" 73

Total Rs. 70720
(ii) Municipal taxes on buildings Rs. 1756

3. The immediate point for consideration is whether the advances made to the club should be recovered or ~~they~~ should be treated as a final grant. The sum of Rs.3,865 represents deficit in the working of the club up to 1918-19 and a further sum of Rs.1948 has to be added to meet the deficit in 1919-1920. Thus the total amount comes to Rs.5,813 and the Law(Edn.)Dept. apparently now propose to treat this as a final grant. Submitted that as the financial condition of the club is not sound and as ~~unless~~ the Govt. have given an undertaking to ~~reimburse~~ ^{render financial assistance} ~~the club for a period of 3 years~~ the proposal to treat the advance as a final grant need not be objected to in this Dept.

The question however remains whether any and if so what grant should be sanctioned for the year 1920-1921. The Honorary Secretary at first anticipated that there will be a deficit of Rs.736-8-0 for the year but he thought there might be a saving in fuel charges so that there might eventually be no deficit at all. But subsequently he stated that an advance of Rs.2,500 will be required to carry on the club during 1920-21. The Secy. (Mr. Graham) was apparently against giving any help to meet the deficit of 1920-21.

It is respectfully submitted that ~~the~~ the Govt. have agreed to meet such reasonable excess of expenditure over income as may be incurred ~~for~~ apparently for a period of 3 years. As the club has been working for ^{the} 3 academical years, 1918-19, 1919-1920 and 1920-21 it is submitted that the Govt. seem

to meet the deficit of the club for 1920-21. As the academical year comes to a close in June 1921, the Honorary Secy. must be able to report by this time what will be the probable deficit up to the end of June 1921, ^{which} ~~then~~ detailed statement showing how ~~the~~ deficit was arrived at. Orders are requested whether Law (Edn.) may be requested to obtain further information in this regard or any contribution in respect of the deficit for 1920-21 ~~may~~ ^{shall} be disallowed. ~~is~~

5. As regards the aid to the Club in future, submitted that the Law (Edn.) Dept. may be requested to definitely inform the Secy. of the Club that no sort of financial assistance (including payment of taxes on buildings) will be given, apart from lending the building for the Club, and that the Club should be made self-supporting either by reducing the expenditure or by raising the income by means of donation or otherwise.

6. Before addressing the Govt. of India, ~~submitted that~~ ^{requested to} the Law (Edn.) Dept. may be considered the question of provision of funds. It may be ascertained from the Director of Public Instruction whether he can meet the extra expenditure by reappropriation within the sanctioned grant. Otherwise, the sanction of the Legislative Council (of the finance Committee in the first instance) will be necessary for an additional allotment.

Law (Education) Department.

With reference to para 4 of the Finance Dept note at pp 15-16 ante, a draft O.M. to the Hony. Secy. Madras University Students' Club calling for a detailed statement of the receipts and expenditure of the institution for the year ending 30th June 1921 is submitted.

2. The University Students' Club was started in February 1919 and the Finance Dept proposes to ^{treat} ~~seek~~ the short period intervening between Feb and June 1919 as a full academical year and to terminate assistance from provincial funds at the end of June 1921. It does not appear fair to treat such a short period as a full year, and it is submitted that assistance from provincial funds may be continued till June 1922, in accordance with the undertaking originally given by Government.

3. On receipt of particulars from the Hony. Secy. as to the deficit to be made good for the year 1920-21, the D.P.I. may be asked to ~~submit~~ ^{submit} a re-appropriation ^{to} ~~to~~ meet the grant to the club that may be recommended to the Govt. of India for sanction.

From the Statute of Income and expenditure of the club for the year ending 30th June 1921 it is seen that the institution, so far from working at a deficit during that year, holds fair to show a surplus of Rs 103.80. The question of a grant for 1920-21 does not arise.

p. 29, c. f. The Hon. Secy. reports that the total deficit since the starting of the club up to 30th June 1920 is Rs 5,863 including the advances ~~of Rs~~ yet to be refunded. This amount,

para 3 - p. 15 which will be noticed, is Rs 50 more than the previous calculation. It is possible that in the figures now reported, the Rs 50 already refunded ^{to grant} had ~~not~~ been ^{included by mistake} ~~added to the total~~.

Under this presumption, the amount of further ~~advance~~ ^{grant} to be made to the club is only Rs 1,948. A draft w/ out asking the Director to point out the source from which this can be met

To
The Secretary to the Govt. of India
Department of Education.

Sir,
With reference to the -
correspondence ending with your
letter No. 1359 dated 3rd November
1920, I am directed to state that
in the years 1918-19 and 1919-20
a sum of Rs. 3915/- was advanced from
provincial funds towards the upkeep
of the Madras University Students'
Club. Of this sum amount, a sum of
Rs. 50 ^{only} has been refunded to Govern-
ment. As stated in my letter -
No. 2284 A-2, dated 4th September
1920, there was a deficit of Rs. 1948
in the working of the Club during
the year ended the 30th June 1920

73

Although the finances of the Club
 subsequently improved and the
 institution was nearly self-supporting
 during the year 1920-21, the Hony.
 Secretary to the Club reports ^{that} there
 are no funds from which the deficit
 of Rs. 1948 in the year 1919-20 can
 be met ^{yet} the amount of Rs. 3865 due
 to Government ~~can~~ be repaid. In
 the circumstances, I am directed to
 request that the Govt. of India will
 be pleased to sanction a final grant
 to the Club of a total sum of Rs. 5813/-
~~including~~ including the advance of Rs. 3865/-
 already paid to the institution.

2. With reference to para. 2 of your
 letter quoted above, I am directed to
 state that in addition to the advances
~~mentioned above~~ made to the institution
 in the years 1918-19 and 1919-20, the
 following concessions have been sanctioned
 to the Club:-

 dated 23-12-1919, a copy of which
 was forwarded to the Govt. of India
 with my letter No. 490, dated 24th
 April 1920. A sum of Rs. 65391 was
 spent on the building ^{which was completed in Feb. 1919} to make it
 suitable for the purposes of the
 Club, and another sum of Rs. 5328/-
 on the provision of the necessary
 equipment, and

 taken to pay the rates and taxes

~~The club was opened in Feb. 1919 and~~

 paid from provincial funds towards

3. ~~As~~ As intimated in my letter
