ceived in this office from the Inspector of schools, Trichi-

of the draft rules notified under G.O. No. 819 dated 31st May, 21,
and to request that the same may kindly be ordered to be got
printed at the Government Press, Madras free of cost for this

District used to get the above list printed at the Government Press, Madras. The Council is unable to meet the printing charges. I therefore request that the Government will arrange the Superintendent of Government Press to print the above list as usual free of cost at the Government Press, Madras and supply the same to this office.

Sir,

As per Section 24(1)-(a) of the Madras Elementary Education Act of 1920 the Register of Aided and recognised Elementary schools sent by the Inspector of schools was approved in the meeting of the District Educational Council held Kothapatam on the 23rd of June 1921 and it was resolved that the list may be got printed in the Government Press by the Inspector of schools.

2. On forwarding the list for publication, the schools VI Circle, Guntur informs me in his R.C.

21 dated 24. 8. 21 (copy enclosed) that the purpose should be carried out by the District Educational Council under the recent delegation of powers and suggests that the job may be entrusted to a Local Press as the Government Press, Madras may not undertake the work of Local Board.

I have the honour to be informed whether there is any objection to have the same printed in the Government Press.

Besides there is no provision for incurring printing charges in the amount sanctioned by the Government in their order 516 dated 2nd April 1921.

uniformity and good printing to have the lists prepared at the Government Press. If this were done the cost ~~will~~ ^{could} have to be met from provincial funds or by adjustment from the funds of the District Educational Councils. On the whole it might be better to allow the District Educational Councils to make their own ^{arrangements} ~~provision~~ for the printing of these lists. The correction of proofs would be expedited if the lists were printed in the District Presses.

Law (ES) Dept.

There are at present no District presses. It appears, therefore, to be desirable to continue the practice of printing the lists in the Govt Press, Madras. District Educational Councils have no funds of their own except what are placed at their disposal by Govt. If the cost is to be recovered from these councils, the expenditure will eventually fall on Provincial funds. Further, printing at Govt Press may also prove to be more economical ~~rather~~ than at private presses. In these circumstances the lists may be printed in

I have no objection to print and bind the lists at the Government Press free of cost. The supply of paper at the disposal of the press, being limited, I would suggest that the respective District Educational Councils be asked to supply their own paper for their lists. The probable cost of printing and binding the lists will be Rs. 10,000 annually (on the basis of last year's figures) inclusive of paper costing Rs. 500/-.
