The Secretary to the Government of Madras,
Law (Education) Department.

Indian Civil Service Examination.

Sir,

I am directed to say that in connection with the forthcoming examination in India for the Indian Civil Service, the Civil Service Commissioners desire to obtain the opinions of the Universities and of the Principals of all first-grade Arts Colleges in British India, which prepare students for the B.A. or B.Sc. examinations, regarding the suitability of the syllabus which has been drafted for the examination. It is intended that the syllabus drawn up by the Civil Service Commissioners in consultation with the Government of India, who had obtained the opinions of local Governments, will be used for the examination to be conducted in 1922. Before further examinations are held the Commissioners feel that it would be of assistance if they obtained the opinions of as many representatives as possible of those engaged in the actual work of preparing candidates for the examination.

2. Mr. D.B. Mair is now visiting India on behalf of the Commissioners. I am to enclose copies of a letter which he proposes to address to Universities and first-grade colleges and I am to request that, if the local Government sees no objection, these letters together with copies of the syllabus may be transmitted to the Universities and colleges mentioned in the headings to the letters. The Government of India are not in possession of the latest list of first-grade colleges. Should any of the colleges to which the letters are headed have ceased to be first-grade colleges, those letters may be withheld. A

3
few copies of the letter without headings are also enclosed in case any institutions which previously were second-grade colleges have now attained to the first-grade. It is suggested that in such cases the headings may be filled in and the letters despatched direct.

3. It will be observed that the letter asks that opinions be sent direct to D.B.Mair, Esq., Civil Service Commissioner, C/O. the Home Department, Government of India. I am to ask that, if there is no objection, this procedure may be adopted and any further correspondence with the Universities and the colleges may be conducted direct between them and Mr. Mair.

4. The matter is of extreme urgency. The Government of India will therefore be grateful if the letters are despatched to the institutions without delay.

I have the honour to be,

Sir,

Your most obedient servant,

J. D. Mair

Secretary to the Government of India.
