 The Nilgiris.

To The Secretary to the Government of Madras,

Local Self-Government Department.
 Madras.

Sir,

In its resolution No. 31, dated 24th September 1921, the District Board has sanctioned the constitution of an elementary education fund under section 32 of the Madras Elementary Education Act.

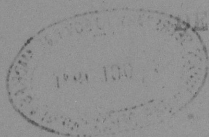

2. The expenditure under education has been increasing since 1918-19 as will be seen from the figures noted in the margin. No fees are levied in any of the schools under the management of the District Board nor does it derive any income either from private individuals or public bodies for the benefit of elementary education. The entire cost of education, excluding the provincial subsidy of Rs 9,760, is met from the District Board funds. In its present financial

circumstances, the Board finds it impossible to allot money every year for education. It has therefore decided to levy, under Section 34 (2) of the Education Act, an education tax, at the rate of 20 % of the Land-cess, with effect from the current Fasli. A copy of the resolution of the District Board is enclosed. I request that Government will be pleased to sanction the levy of the tax, as decided by the Board.
