To The Secretary to the Government of Madras,

Law (Education) Department.

Sir, through the Accountant General, Madras.

I have the honour to request that Government may be pleased to sanction the following proposals for the employment of additional staff and for the permanent retention of certain temporary teachers in the Presidency Training School, Egmore, with effect from the 1st July 1921.

2. The strength of the 3 sections of

ary (Junior) 5

ary Higher 9

section of the secondary training class in July next the number of sections will be 4. For these 4 classes at least 4 teachers are necessary, two trained graduates and two teachers of the secondary grade. ~~teachers~~. The staff sanctioned for this department consists of only 3 teachers on Rs.125-5-150, Rs100-5-125 (temporarily raised to Rs.150) and Rs.60 (temporary). The employment of one more teacher of the secondary grade is therefore necessary, and I recommend that an assistant on Rs.60 (exclusive of temporary additions to pay) be sanctioned and that the temporary assistant on Rs.60 sanctioned in G.O.No. 515 Home (Education) dated 17th July 1920, be retained permanently.

3. There are 342 pupils in the secondary department of school distributed among the several classes as shown in the margin. The school offers instruction in Algebra, Geometry, Chemistry, Botany, History and Languages under Group C of the S.S.L.C. Scheme. While the total number of sections is 15, the number of teachers sanctioned for the department is only 13 excluding the headmistress, the Vernacular assistants (2 on Rs.20-2-30 each per mensem 1 on Rs.20-1-25 per mensem) and the teacher of technical art.

The employment of 2 more teachers is therefore essential. I recommend that a trained graduate on Rs.125 per mensem, secondary grade teacher on Rs.60 per mensem exclusive of additions to pay, be sanctioned. The additional graduate who may be designated Kindergarten mistress will, by instruction to the students under training in kindergarten methods, share in the work of the higher forms and large preparatory classes (I to III). to secure and retain teachers to teach languages in the 6 forms. I therefore recommend that the person in question may be designated Pandite and that their pay be raised to Rs.30-2-2-10 each per mensem (exclusive of temporary additions to pay) being the scale admissible for Pandits in schools.

5. The extra expenditure for 8 months from the 1st July in 1921-22 amounts to Rs.2480 which can be met from the lump provision of Rs.1 lakh for the opening of additional training schools for masters and mistresses in the Budget Estimate for current year.

6. I enclose herewith a statement showing the scales of staff and pay sanctioned for the school.

I have the honour to be,

Finance Dept

The D.P.T.'s proposals for the revision of establishment in the Presidency Training School for Mistresses, Egmore, which are summarised by the Educ Dept on page 1 ante, are examined below seriatim.

2. Item (1) - Employment of an additional Secondary trained teacher in the Training Section.

The D.P.T. states that there are at present three teachers for the three classes of this section and that, as a new class is to be opened in July next, a fourth teacher is necessary. Attention is however invited to para 3 of the D.P.T.'s letter ~~no~~ on page 3 of

(G) ego. no 1082 Edu of 23.8.18 and the order itself. It will be seen that, with the two additional teachers sanctioned for the training section in that ego, the number of teachers in the section ought to have been four. Apparently

the two additional teachers sanctioned in that ego. have been utilised for the Secondary section of the school, and hence the D.P.T.'s request of ^{of last year} for a third teacher in the training section which was sanctioned in ego. no 815 Edu of 17.7.1920. No information is available as to how the two teachers sanctioned in ego. no 1082 Edu of 23.8.18 came to be utilised for purposes other than those for which they were sanctioned. For orders whether the Education Dept may be requested to ~~clear up~~ clear up this point. It, however, this is considered unnecessary the employment of the proposed additional teacher may be accepted. The rate of pay Rs 60 plus temporary increase calls for no particular remarks and may be agreed to.

3. Item (2). Employment of one Secondary trained teacher in B.60

Gy. plan.

and one trained graduate ^{pr} assistant on R 125 for the Secondary Dept. — It is stated that there are only 13 teachers against 15 sections in this Dept. Last year, ^{also,} the D.P.I. stated that there were 13 teachers in this Dept against 14 necessary and an additional teacher on R 60 was accordingly sanctioned for this Dept in G.O. no 815 Edu of 17.7.1920. Therefore the number of teachers in this Dept this year ought to be 14 and not 13 as mentioned by the D.P.I. Apparently the D.P.I. has not taken account of the teacher on R 30-2-40 shown on page 4 C.T. as having been held "in ^{tr} abeyance". It is not known under whose orders, this post has been so kept ~~in abeyance~~, and whether one of the two additional teachers now applied for ~~are~~ is in lieu of this teacher.

Anyhow, as there are already 14 teachers and as the ^{By} number of sections ^(said to be) is 15, Finance may agree to the employment of one additional teacher for this Dept. As it is observed that this additional teacher ^(apparently) has been necessitated by the increase of strength in the lowest class of the school, it seems only reasonable that the rate of pay for the post should also ^{be} the minimum. The pay of this post may therefore be either B 30-2-40 or B 40 plus temporary increase. It does not appear that any case has been made out for a Graduate assistant for Kindergarten work. The additional post to be now sanctioned may be temporary for a period of one year, on the first of January.

4. New (3) - Raising the pay of the Tamil and Telugu pandits from B 20-2-30 to B 30-2 1/2-40. - Please see para 6 on pp 2 and 3 C.F. It would seem that this question should await

await the introduction of the general scheme of revision of pay. If, however, it is considered necessary to ^{immediately} sanction the proposals, it may be laid down that the higher rate to be now sanctioned should not be utilised for giving promotion to any of the existing ~~man~~ assistants.

5 Item (4). Permanent retention of certain temporary teachers.

(i) ^{Third} Asst on B 60 in the Training Section - This post was sanctioned in ego. no 815 Edu of 17.7.20 for a period of one year to begin with. As

(R)

there will be ^{permanent} four classes in this section from this year ~~onwards~~ onwards, submitted that Finance may agree to the permanent retention of this teacher as also the ^{referred to} teacher in para 2 on pp 3 & 4 auto

(ii) Two assistant on B 75 h.m. ^{in the secondary section} each. These posts were first sanctioned in ego no 177 Edu of 12.2.14

in lieu of certain other posts which had remained unfilled for some time. Their permanent retention may be agreed to but the Edu Dept may be requested to specify the posts which will be permanently abolished consequent on the permanent retention of the posts in question.

(iii) Asst on B 60 in the Secondary Section. This post was sanctioned only last year and it is for orders whether it is not too soon to consider its permanent retention.

(iv) & (v) - Assts on B 40 and B 150. These posts were sanctioned ~~for the first time~~ for the first time in ego no 1082 Edu of 23.8.18 and were intended for the Training Section as pointed out in para 2 on pp 3 & 4 auto. The circumstances in which they were utilised for the Secondary

A on p 8 ante - Please see para 4 C.F. The posts which will be permanently abolished consequent on the permanent retention of the two assets on Rs 75 form are:-

- 1 on Rs 20-2-30
- 1 on Rs 50-2-60
- 1 on Rs 30-2-40.

This will be borne out by the statement of the SPS in para 3 of his current letter that there are at present 13 teachers excluding the headmistress

and the 3 vernacular Assistants and the teachers of technical subjects. As it was thought that the matter was clear, no reference was made to this in the u.o. note. Further the Finance ^{and presumably} ~~Department~~ wants the point to be made clear in the order to be issued.

As regards B, this ^{point} has been mentioned in the u.o. note - vide portion marked with pencil at the bottom of page 8 of the note.

A. The scale of pay of the five posts to be kept in abeyance referred to in p. No. 1778 12.2.14 differs from that now given on page 4 of Cf. The difficulty which still exists is apparently due to this discrepancy.

Further in the list on p. 4 of under 'Secondary schools', there is an additional appointment on Rs 20-2-40 (malayalam paid) excluding the headmistress, the 13 posts of the 3 assets. (vernacular)

Subject.- Presidency Training School for
Mistresses, Egmore.

u.o. note to the D.P.I.

The D.P.I.'s proposals for the revision of
establishment in the Presidency Training School for
Mistresses, Egmore call for the following remarks:-

(1) Training section. The D.P.I. states that
there are at present three teachers for the three
classes of this section and that as a new class is
to be opened in July next a fourth teacher is neces-
sary. Attention is however invited to para.2(ii)
of the Director's letter No.3145/17, dated the 10th
May 1918 disposed of in G.O.No.1082, dated the 23rd
August 1918 and the order itself. It will be seen
that with the two additional teachers sanctioned for
the training section in that G.O. the number of
teachers in the section ought to have been already
four. Apparently the two additional teachers sanc-
tioned in that G.O. have been utilised for the
secondary section of the school and hence the
D.P.I.'s request of last year for a third teacher
in the training section which was sanctioned in G.O.
No.815, Education, dated 17-7-20. The D.P.I. may be
requested u.o. to explain the circumstances under
which the two teachers sanctioned in G.O.No.1082,
dated 23-8-18 came to be utilised for purposes other
than those for which they were sanctioned.

(2) Secondary section.- It is proposed to employ
one secondary trained teacher on Rs.60 and one
trained graduate assistant on Rs.125 per mensem.

para 2 - pp 1-2 C.F.

NOTES.

Page 2

It is stated that there are only 13 teachers against 15 sections in this department. Last year also the D.P.I. stated that there were 13 teachers against 14 necessary and an additional teacher on Rs.60 was accordingly sanctioned for this dept. in G.O.No.815, Education, dated 17-7-20. Therefore the number of teachers in this department this year ought to be 14 and not 13 as stated by the Director. Apparently the D.P.I. has not taken account of the post of teacher on Rs.30-2-40 shown on page 4 c.f. as being held in abeyance. He may be requested to state why it is so kept. Any how as there are already 14 teachers and as the number of sections is said to be 15, only one additional teacher may be sanctioned. As it is observed that this additional teacher has apparently been necessitated by the increase of strength in the lowest class of the school, it seems only reasonable that the rate of pay for the post should also be the minimum. The D.P.I. may be requested to state whether it will not be sufficient to sanction only one teacher on Rs.30-2-40 plus temporary addition to pay for a period of one year in the first instance. It does not appear that any case has been made out for a graduate assistant for kindergarten work.

(3) Tamil and Telugu Pandits. It is proposed to raise their pay from Rs.20-2-30 to Rs.30-2-40 per mensem. The D.P.I. may be asked u.o. to state whether this question may not await the introduction of the general scheme of revision of pay.

(4) It is proposed to retain permanently among others the post of Assistant on Rs.60 per mensem sanctioned in G.O.No.815, dated 17-7-20 for the secondary section of the school. As it was sanctioned only last year and as its permanent retention

NOTES.

Page 3

is contingent on the present strength of the classes being maintained, the Director may be requested to state whether it will not be sufficient to sanction its continuance for another year for the present.

(5) The Director may also be requested to specify the posts which will be permanently abolished consequent on the permanent retention of the two posts of Assistants on Rs.75 per mensem each in the secondary section which were sanctioned in G.O.No.177, Education, dated 12-2-1914.

U.O.Reply No. 71 WTB/21
9.9.21.

When early in 1920 proposals for the reorganisation of the school were made the Director came to the conclusion that there was a sufficient number of posts in the school carrying a salary of more than Rs.100 per mensem which posts could be utilised for the secondary section and that the needs of the institution would be met if two additional assistants on Rs.60 per mensem were sanctioned, one for each of the Training and Secondary sections. These were sanctioned in G.O.No.815 Home (Education) dated 17th July 1920. It is not possible, and the Superintendent of the institution reports to the same effect, in such mixed institutions which contain both a school department and a training department to confine the teachers to work in one department only. For the purposes of

distribution

4-15
distribution of work the whole institution has to be treated as one unit if efficiency and economy are to be aimed at. Two assistants, one on Rs.150 and the other on Rs.40 had to work in the secondary section as it was on the whole under-staffed.

2. The post on Rs.30-2-40 held in abeyance is that of the 7th assistant in the school. It has to be kept vacant under G.O.No.244 Educational, Miscellaneous, dated the 6th March 1916. It has to be left out of account in calculating the number of teachers available. Of the two additional teachers required one is needed for work in the Preparatory classes and the other for teaching Kindergarten methods to the students under training, for helping in the work of the higher forms and for supervising the Preparatory department, there being no Kindergarten Mistress in this Training School. This latter teacher should thus be an experienced trained graduate and a pay of Rs.125 plus 25 is not excessive for such a teacher. It may be observed that the pay of the Kindergarten Mistress of the Government Training School, Triplicane is Rs.180 to 240 inclusive of temporary additions to pay. The pay of the secondary grade teacher was proposed as Rs.60 per mensem as the Superintendent reported that she could not recruit secondary trained women teachers for less than this salary.

3. As the two posts on Rs.20-2-30 each per mensem are designated assistants, persons possessing only language qualifications cannot be appointed to them without exemption from examination rules. It is proposed to change the designation to pandits and to fix the salary at Rs.30-2/2-40 which is the scale approved by Government for pandits in high schools. There appears to me to be no particular reason for postponing a consideration of the pay of the Tamil and Telugu pandits.

4. It may

16-5-22
4. It may suffice to sanction the continuance of the post on Rs.60 per mensem for another year. I might however inform Government that the strength of this school is still increasing.

5. When the two temporary posts on Rs.75 per mensem were sanctioned in G.O.No.177 Educational, Miscellaneous, dated 12th February 1914, five posts one on Rs.40-2-50, one on Rs.50-2-60, one on Rs.25-1-30 and two on Rs.20-2-30 were ordered to be held in abeyance. Subsequently under G.O.No. 277 Home (Education) dated 28th February 1917 the post on Rs.20-1-25 was held in abeyance in lieu of the one on Rs.40-2-50 and the post on Rs.20-2-30 was revived in G.O.No.1630 Home (Education) dated 20th December 1917. The posts which are now in abeyance and which can therefore be permanently abolished consequent on the permanent retention of the two temporary posts on Rs.75 each per mensem are one on Rs.50-2-60,

- One on Rs.25-1-30,
- One on Rs.20-2-30 and
- One on Rs.20-1-25.
