G.O. No. 663, Home (Education), dated 23rd May 1918.

ABSTRACT.—Communicating to the Director of Public Instruction and to all District Collectors letter from the Government of India forwarding a set of rules drawn up by them as a guide to Local Governments in the grant of concessions to meet the education of the children of Indian soldiers and issuing certain subsidiary instructions in the matter.

Letter—from R. LITTLEHAILES, Esq., M.A., M.L.C., Director of Public Instruction.

To—the Secretary to Government, Law (Education) Department.

Dated—Madras, the 10th August 1921.

No.—R.C. 4017/20.

I have the honour to invite the attention of Government to the fact that the concessions sanctioned in G.O. No. 663, Home (Education), dated 23rd May 1918, to the children of deceased or incapacitated Indian soldiers stop with the secondary education of such children and do not extend to those who prosecute their studies beyond that stage. Under G.Os. No. 402, dated 23rd March 1918 and No. 973, dated 24th July 1918, children of men in the combatant branches of the Army (who enlisted either during or prior to the outbreak of the war) so long as they remain in service, are allowed to pay half the standard rates of fees in Colleges, whereas the children of fallen and disabled soldiers enjoy no similar concession—though they obviously deserve more liberal concessions in this respect. I have the honour therefore to recommend that they may also be allowed free admissions in Colleges.

The Silver Wedding Fund can doubtlessly be approached with a view to the grant of scholarships and maintenance allowance to these pupils but that fund may not always be able to meet all cases.

Order—No. 1599, Law (Education), dated 10th November 1921.

In paragraph 6 of G.O. No. 663, Home (Education), dated the 23rd May 1918, the Government stated that the question of the grant of educational concessions to the children of deceased or incapacitated soldiers seeking admission into Colleges will be reserved for future consideration. The Government are now pleased to direct that such children who produce the certificate referred in paragraph 5 of the scheme framed by the Government of India be admitted without payment of fees into all Colleges under public management. Managers of aided Colleges are invited to grant similar concessions to such children seeking admission into their institutions. To induce them to do so, the Director of Public Instruction is empowered to compensate them up to the amount of the fee income foregone in the case of the children in question and this sum shall be added to the amount otherwise admissible to the institution under the provisions of the Grant-in-Aid Code.

2. The Government hope that the Municipal Council, Salem, will meet from its own funds any expenditure falling directly on it in consequence of the grant of the concessions.

3. The continuance of the concession herein sanctioned will be subject to the condition laid down in paragraph 4 of the scheme framed by the Government of India and to any other regulations that may be framed by the Director of Public Instruction.

From the Director of Public Instruction, R.C. No. 4017/20, dated the
10th August 1921.

Under G.O. No. 402, Home (Education), dated the 23rd March 1918, the children of men who enlisted in the combatant branches of the army since the outbreak of the war, so long as they remain in service, are exempt from payment of fees in elementary schools and allowed to pay half the standard rates of fees in secondary schools and colleges. This concession has been subsequently extended to children of sepoys who enlisted prior to the outbreak of the war—vide G.O. No. 973, dated 24th July 1918. Under G.O. No. 663, dated 23rd May 1918, children of deceased or incapacitated soldiers are exempt from payment of fees in elementary and secondary schools only, and they have not as yet been allowed any fee concession if they desire to continue their studies in the collegiate classes. But in paragraph 6 of G.O. 663, dated 23rd May 1918, the Government have stated that the question of the grant of concessions to such pupils who seek admission into colleges will be reserved for future consideration—vide notes side-lined at page 4 of the Government Order.

2. The Director of Public Instruction now proposes that they may be allowed free admission in colleges also. His proposal may, it is submitted, be accepted.

3. The following are the standard rates of ordinary fees in colleges :—

(1) Presidency College.

	Long term.	Short term.	Total.

B.A. (Honours) and pass	70	42 =	112
Intermediate	55	33 =	88

(2) Other Colleges.

Intermediate	52	31 =	83

The Salem Municipal College is the only college in the Presidency that is under the management of a local body, and the Municipal Council may be willing to admit such students without payment of fees. As regards aided colleges suitable compensation may be made by making good to the management the amount of fee income foregone in the case of each student when grants are assessed under Chapters IV and V of the Grant-in-Aid Code.

4. The case may go to the Finance Department for acceptance.
