From

H. Sharp, Esq., C.S.I., C.I.E.,

Secretary to the Government of India,

To

The Secretary to the Government of Madras,

Law (Education) Department.

Subject:-Selection of two officers for employment  
at a military college to be established  
at Dehra Dun.

Sir,

I am directed to address the local Government on the subject of the selection in India of two assistant masters for a college to be established at Dehra Dun for the preparation of candidates for admission to the Royal Military College at Sandhurst.

2. The superior staff of the proposed college will consist of a headmaster on a pay of Rs.1,500-50-1,750 a month with rent-free quarters and four European assistant masters on Rs.550-50-1,500 a month each. The staff will not be entitled to any overseas pay.

3. The Government of India have already in view an officer for appointment to the post of headmaster and propose to obtain from the United Kingdom two assistant masters with special capacities for games to take charge of forms. There still remain two assistant masterships which it is proposed to fill temporarily, if possible, from the ranks of the Indian Educational Service. The candidates for the latter posts should be young Europeans with English Public School education, who have served with distinction in the war.

4. The Government of India attach great importance to the success of the proposed college and would be grateful

of the local Government's co-operation in securing two suitable officers on loan from among the members of the Indian Educational Service. I am accordingly to enquire whether the local Government are in a position to spare for a period of three years one or two officers possessing the qualifications specified in the preceding paragraph and if so, to request that the Government of India may be furnished with full particulars as to their present pay, ages, qualifications, etc.

I am to mention that other local Governments are being similarly addressed and that the Government of India will make selections from among the names put forward.

5. As the matter is one of some urgency, the favour of an early reply is requested.

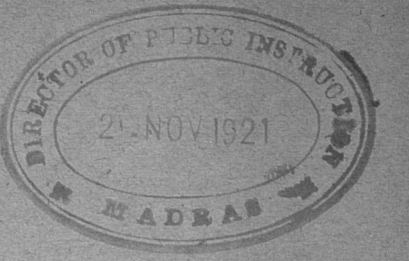

I have the honour to be,

Sir,

Your most obedient servant,

*J. D. K.*

Secretary to the Government of India.
