Correspondence ending with your J. & P. Secretary's letter 1388/21, dated 17th March. Madras Government now revert to their original recommendation for recruitment of Professor of Physical Science, Queen Mary's College, and suggest Miss M. Frodsham as possible candidate. She is Physics Graduate and has had teaching experience both in the United Kingdom and South Africa. Local Government suggest that she might be interviewed and offered post if suitable but that it will probably be necessary to offer her salary above minimum. We agree but leave final decision to you. Her present address is Principal, Halsey Training College, 22 Somerset Terrace, London. Particulars called for in your J. and P. Secretary's letter of 17th March are being sent by post.
