Subject - Medical inspection of pupils
in elementary schools.

The C.M.C., Coimbatore, requests that Govt should bear one-half of the cost of medical inspection of pupils in schools under its management. The schools under the management of the Council are all elementary schools. The scheme of aid for medical inspection of schools sanctioned in G.O. No 208, dated 12th February 1921, applies only to secondary schools. The question of extending it to elementary schools & colleges was deferred for the time being pending development of the scheme of medical inspection, especially the appointment of members of the school medical service. ~~Since~~ Since then, the appointment of three medical inspectors was sanctioned in G.O. No 1014, dated 4th September 1921. These inspectors have, however, not yet begun work. In these circumstances

(C) under which the grant is restricted to 1/2 of the cost
