Message to be sent to
the D.D. 9 for removal.

I have the honour to submit in continuation of my letter No. 2769/D.B., dated 1-10-1920 the following representation to Government on the question of the concession of -- half fees for Oriya and Mahammadan pupils.

2. The District Board has considered the whole question and a copy of its resolution is enclosed. It is felt by the District Board that even G.O.No.81 Law (Education) dated --- 18-1-1921 in modification of G.O.No.759 Home (Education) --- dated 1-7-1920 will cause a set back to the education of the Mahammadans and Oriyas.

3. The progress in secondary education made by the --- Oriyas who form the bulk of the educationally backward ----

P.T.O.

2. communities in this district still continues to be unsatisfactory. The number of students eligible for the University course is not more than 12 a year on the average both in Ganjam and Vizagapatam districts. The proportion which this bears to the population is perhaps smaller than in the case of any other backward community. The proportion of the number that take to English education is equally small.

4. The paucity of Oriyas in the various offices and departments in the District is well known. It is felt by the Oriya community generally that the lack of a sufficient number of educated men among them is detrimental to the efficient administration of the district. The disadvantage arising from the lack of educated men is one under which the community as a whole labours and not, as in the case of Telugus or Tamils, a particular caste or sect.

5. I have discussed the present question with a large number of educated Oriyas and they have pointed out to me that the fee concession has served as an inducement even to the rich to take to English education. The number of students of the well-to-do classes among the Oriyas is very small, and it is they, if induced to study, that can continue in larger numbers up to the college course and supply the want of Oriyas in the various services.

6. The later and more liberal G.O. affects only the Oriyas and Mahammadans who were generally getting this concession without any reference to their poverty.

7. In these circumstances, I beg to recommend that Government may be pleased to reconsider the question and postpone the operation of the amended rule for a period of 5 years in the case of Oriyas and Mahammadans - especially the former community.

I have the honour to be,
Sir,
Your most obedient servant,

T. Venkatakrishnaiya, 1578

Vice President, District Board, Ganjam.
