To,

The Secretary To The Government Of Madras,

MADRAS.

Honoured Sir,

With due deference and respect, ~~and respect~~ -----

I humbly beg to bring the following few to your favourable consideration.

I was enrolled as a Sub-Overseer on 25-9-18 to serve in the Irrigation Directorate of Mesopotamia for a period of two years and have returned on 26-11-20. When I was enrolled I was told that I would be given some land as gratis on my return as has been given to many who have returned from Field service, As I am not very anxious for presents of land, I request your honour to permanently exempt me as a Lower Subordinate of the College of Engineering, Madras, so that I may be able to earn my livelihood all my life time.

I have known K.V. Ranganayakalu from July 1907. He was a student in 3rd, 4th, and 5th. Forms till March 1910. During this period of his career, he was sharp, intelligent, and was attentive to his studies. I always thought he was far ahead of his classmates in his knowledge of English. His conduct and character has been uniformly satisfactory.
