From (Name) R. Littlehales Esq. M. A.

(Designation) Director of Public Instruction,

M a d r a s.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

I have the honour to submit for favourable consid-
eration of Government the following proposals for increas-
the scholarships tenable in colleges, secondary schools
boys and those sanctioned in G.O.No.1189 Home(Education
dated 30th September 1919 for panchama boys studying i
Higher Elementary Schools in this Presidency and exter
the last to pupils belonging to the aboriginal and cr
classes:-

(2) Collegiate Scholarships:-

(i) In the Government Scholarships notification
(General) provision is made for the award annually
scholarships of the monthly value of Rs.9/- each to

students studying in the I Year University Class in recognized colleges in this Presidency and these scholarships are continued in future years till the holders thereof complete their course either Pass or Honours, the value of the ---- scholarships being raised to Rs.14/- each per mensem when held in the B.A. classes. But these are found to be inadequate to meet the increasing demand each year, and consequently some more scholarships have to be awarded, the increased cost of the additional scholarships being met from savings in the budget provision of each year. The following statistics will show the number of applications received for the above scholarships during the years 1918-19, 1919-20 and --- 1920-21 from the students of the I Year University Class and the number of awards in these years:-

YEAR.	No. of applications received.	No. of awards.
1918-19.	141	48
1919-20.	171	57
1920-21.	172	55

But this procedure will not always be practicable. I therefore request Government to sanction at least 5 scholarships of the monthly value of Rs.9/- each in addition to be awarded annually to students in the I Year University Class and to be continued during their college course subject to the usual conditions. Their value will be as usual Rs.14/- per mensem after their holders reach the B.A. Course.

(ii) I also beg to submit that there is a great demand for scholarships from students reading in the Junior B.A. Class who have not had the benefits of scholarships in the Intermediate Classes. In 1918-19 the applications received from such of those students were 39 in number; in 1919-20, 36 and during 1920-21 the number was 40. A majority of these --- appear to be very promising and very few of them get the --- advantages of lapsed scholarships; and I request Government to sanction 5 fresh scholarships of the monthly value of --- Rs.14/- each to be awarded annually to students in the ----

III Year University Class to be continued in future years subject to the usual conditions till the holders thereof complete their course of study with Pass or Honours.

(3) Secondary Scholarships:-

For the further advance of Secondary Education in this Presidency and with a view to providing for the increased demand for scholarships from students mostly of the backward classes reading in the secondary schools, I propose to ~~increase~~ increase the number of secondary scholarships as follows:-

- (i) Those at Rs.3/- each commencing from Form I, from 174 to 234.
- (ii) Those at Rs.6/- each commencing from Form IV from 30 to 55.

In the award of these scholarships the aims of those sections of the community who are most in need of aid will first considered, preference being given to Panchamas, Muhamdians, Oriyas and members of other backward classes.

(4) Special Scholarships for Panchamas and others belonging to aboriginal and criminal classes tenable in Higher Elementary Schools for Boys:-

In G.O.No.1189 Home(Education) dated 30th September '19 Government were pleased to sanction the award annually of 4 scholarships to panchama pupils reading in the VI standards of Higher Elementary Schools in this Presidency and their continuance in the VII and VIII standards, the value of the scholarships in each of the above classes having been fixed at Rs.2, 2½, and 3 per mensem respectively. These are reported to be quite inadequate to meet the increasing demand each year. The Inspector of Schools were consulted in the matter and they report that there is a large scope for helping poor pupils belonging to the above backward community. The number of scholarships sanctioned in the G.O. mentioned above may therefore be increased from 4 to 27 and they may be extended to pupils belonging to the aboriginal and criminal classes in this Presidency, as in the case of the secondary scholarships sanctioned in G.O.1038 Home(Education) dated 28-8-19

These scholarships will be placed at the disposal of the Inspectors of Schools to be awarded to deserving pupils of marked ability.

5. The Ultimate cost of these additional scholarships will be Rs.33,030/- per annum viz. Rs.6120 for scholarships tenable in colleges; Rs.24,840 for scholarships tenable in secondary schools for boys and Rs.2070/- for scholarships proposed for panchama boys and other boys belonging to the aboriginal and criminal classes and tenable in Higher Elementary Schools. In view of the large demand for additional scholarships, the scheme has been introduced in anticipation of the sanction of Government since July last, the additional expenditure during the last year having been met from the savings accruing from the provision for scholarships, I request that the above action may be approved. I request further that sanction may be accorded for the continuance of the additional scholarships during the current and ensuing years. The extra expenditure can be met from the current years budget grant for scholarships in the course of the year additional allotment is found necessary, I shall submit for the sanction of Government a reappropriation statement to meet the excess charge.

I have the honour to be,

Sir,

Your most obedient servant.

Should the D.P.D. should be
asked to explain why he could
not have obtained the prior approval

coming up for sanction about a year
after its introduction. I do not think
he should approve of his action as
in Para. 1 of the draft L.O. without ex-

There was a draft for 500. The total cost of
the additional scholarships is repaid to the
Rs 33030. The 500 is paid from his extra
cost from his current year's budget grant. It
does not happen that this grant is so much
in excess of the scholarships sanctioned.

The draft has been issued. With
ref. to Secy's note above it is
subd that the addl. scholarships
have been introduced with effect from
the July 1920. The amount of Rs 33,030
referred to by the Secy. is only the
ultimate cost per annum. The
cost for the ~~first~~ ^{first} year ~~will~~ ^{at introduction} be
only Rs 5,892/- as will be seen from
the following statement:-

when the scholarships are
first in the class in
which they are desirable

Nature of Scholarship	Number and period for which each Scholarship is liable.	Value	Cost in the current year when the Scholarship will not be held in the higher grade as effect was given in July 1920	Ultimate Cost when the Scholarship would have been held in all the above classes.
Collegiate	5 beginning from the Junior Div. Class and continuing in the 2 nd , 3 rd , 4 th & 5 th year classes.	Rs 9/- per m in the 2 nd year class and Rs 14/- in the 3 rd , 4 th & 5 th year classes.	5 x 9 x 12 = Rs 540	5 x 9 x 12 x 2 = 1080 5 x 14 x 12 x 3 = 2520 Rs 3600
	5 beginning from the Junior B.A. Class (3 rd year) & continuing in the 4 th & 5 th year classes.	Rs 14/- per m.	5 x 14 x 12 = 840	5 x 14 x 12 x 2 = 2520
Secondary	60 beginning from the 1 st Form and running in to the VI th Form.	Rs 3/- per m for the 1 st three years and Rs 6/- per m for the next 3 years.	60 x 3 x 12 = 2160 60 x 6 x 12 = 4320 Rs 2160	60 x 3 x 12 x 2 = 4320 60 x 6 x 12 x 3 = 12960 Rs 19440
	25 beginning from the VII th Form & running in for 3 years to the VI th Form.	Rs 6/- per m.	25 x 6 x 12 = 1800	25 x 6 x 12 x 2 = 5400
Special Scholarships for Panchanna & backward classes.	23 liable from the 6 th Standard to the 8 th Standard.	Rs 2/- in the 6 th ; Rs 2½ in the 7 th and Rs 3 in the 8 th Standard.	2 x 12 x 23 = 552	2 x 12 x 23 = 552 2½ x 12 x 23 = 690 3 x 12 x 23 = 828 Rs 2070
Grand Total				Rs 5,892 Rs 33,030

It will be seen from the above statement that though the ultimate cost is Rs 33,030/- per annum the actual cost during the first year of introduction is only Rs 5,892/- which the Director pays out of the budget.
