The Council Secretary Mr. Ramaswamy Mudaliyar interviewed the Secretary this afternoon and applied for the establishment, contingent charges and stationery needed for the committee appointed by Government under G.O., No.1557 Law (Education) dated 25th October 1921 to consider the applicability of the Calcutta University Commission's recommendations to the Madras Presidency. ~~It was decided that~~ The Committee is to have its first sitting in Madras on the 16th instant. ~~At the discussion it was pointed out that~~ The Committee being a large one and the report being due before 31st January 1922, the ~~Committee~~ ^{Committee} will have to resolve itself into small sub-committees to consider the various questions arising for discussion and ~~that~~ the Committee itself will have to sit pretty frequently. Though verbatim reports of speeches ^{are} to be made, the services of a stenographer are essential for the use of the President and the two Secretaries in drafting the reports of the proceedings of the meetings of the committee and the sub-committees ^{the} and drawing up of notes for the use of these bodies. A clerk to do the routine work, to see matter through the Press, to issue notices, to collect information ^{and} to prepare statistics would also be needed. A peon was also considered necessary. The minimum requirements of the committee were accordingly put down at

- 1 stenographer;
- 1 clerk; on a minimum pay of Rs50/- and
- 1 peon on Rs15/-.

The pay of the stenographer may, in accordance with the scale already approved, be the minimum pay of a clerk on Rs40/- plus a shorthand allowance of Rs15/- ~~or Rs25/-~~ if he holds intermediate qualification or Rs25 if advanced.

Finance may be requested to sanction these

very urgently and to allot the funds needed for the purpose. The budget of the ^{Law} department does not admit of any reappropriation for this purpose.

Finance may also be asked to authorise the Superintendent of Stationery to lend the use of a typewriting machine for ^{2 1/2} months during which the committee will be working.

Postal charges needed by the committee will be found from the Law Secretariat.

Separate action will be taken for the supply of stationery for the use of the committee. An indent ^{has been} prepared. ~~which will be forwarded to the Superintendent of Stationery for compliance.~~

There must ^{then} be very little left for contingent charges. If anything is found necessary, that will also be found by the Law Secretariat.
