From (Name) M.R. BY. P.B. Sambantha Mudaliar Avargal

(Designation) Chairman, Municipal Council,
Conjeeveram

To The Secretary to the Ministry of Education,
Local Self Government

Local and Municipal Department.

Through the Director of Public Instruction,

Sir,

M A D R A S.

I have the honour to submit a detailed proposi-
tion statement showing the existing teaching staff of -
the several Municipal Elementary schools in this town,
and that proposed for the year 1921-22 in the Budget for
that year. It shows also the existing schools and those
proposed.

2. The two new schools proposed have already been
recommended to the Director of Public Instruction in this
office Ref on No. 756/G1 dated 7-7-20 and 19-8-20, and -
also an additional teacher for five schools at the instance

One of them has
been sanctioned
in No. 7541
of 22.10.21.

of the Inspecting officers in this office Ref on No.756/G1, dated 19-8-1920. I have now added one more school (Pillaipalayam) to this latter category as the amalgamation of a private school with this is contemplated.

3. I have also raised the financial status of the Head masters of the schools, who have got or are to get a 3rd Assistant teacher, the existing scale of these schools being applied to the assistants. (Viz, Rs 13.12+12).

4. No increase of staff has been recommended for the Girls' schools notwithstanding the recommendations of the Assistant Inspectress of Girls Schools in the case of some of them, as the strength of them and the actual attendance are found fluctuating and not quite up to the mark. The question of increase will be kept in view. It is a pity that the trained women teachers appointed from outside are not steady. Three have already resigned their posts and left the place, and one is dead. For paucity of teachers of that sex, men have been employed in some of the schools. This is not quite desirable.

5. Another statement is enclosed showing the staff, equipments etc of the 6 new schools only, already recommended to the Director of Public Instruction. Of these the Girls' schools are already working in the current year from the dates given against them, but without the necessary equipments.

6. I have the honour to request that you will be so good as to move the Government to sanction subsidy for the next year 1921-22, calculated as per proposals contained in the enclosed statement and extracts from the Budget.

7. In this connection I beg to submit that it is most unfortunate that, of all the Municipal schools, the four oldest ~~are~~ ^{and Had group of Muhammedan Boys School} alone (Thumbavanam, Pillaipalayam and Reddipet Hindu Boys' schools) have not hitherto had the help of the Government, though the present circumstances of these schools, whatever they were at the time of

their start, no longer require a different kind of treatment. I, therefore, respectfully ~~request~~ request that you will be so good as to obtain the sanction of the Government extending the subsidy to these schools also, so that the whole of the Elementary Education of this town, provided by this Local Body, may be uniformly and completely under the financial control of the Government.

8. In conclusion, I submit that the total subsidy, calculated as above, comes to Rs.10992 for 1920-21, and Rs.20700 for 1921-22 including all expenses. The former figure is arrived at as explained in the separate accompanying report.

I have the honour to be,

Sir,

Your most obedient servant,

Submitted to Government

2. The reasons for the increased expenditure budgetted for by the Chairman for 1921-22 are contained in the Chairman's letter under reference.

3. In my letters R.C.No. 4780/20 dated 20th May 1921 and R.C. 447 W.B. of 20 dated 9th May 1921, I have already addressed Government recommending ^{the} payment to this council of a recurring annual subsidy of Rs 1596/- for the opening of 5 new elementary schools under

Direct. Subsidy for elementary schools, Coimbatore
Cus. 16984 from the Cus. Coimbatore No. 129 222/4/1

1. In the budget estimate for 1921-22
the Coimbatore Municipal Council ^{took} ~~took~~
credit for a subsidy of Rs 19,000/- including
a subsidy for all the elementary schools
except four old schools viz. Thimbavanan,
Pillai Palayam, Reddipet Hindu boys school
and Hodgsonpet Muhammedan Boys' school.
In his remarks on the budget the D.P.O.
suggested that a subsidy of only Rs 6105/-
should be taken credit for and it is proposed
accordingly to reduce the credit from Rs 19,000 to
Rs 6110.

2. In the revised estimate for 1920-21
the Council took credit for a subsidy of Rs 1170
which it is proposed to reduce to Rs 9159
as suggested by the Director.

3. The huge credit taken in the budget
is due to the fact that a subsidy for all
the existing elementary schools and for
opening new ones during the current year
has been taken into account in anticipa-
tion of Govt. sanction. The Director
has not allowed this evidently as the
question is under the consideration of the Govt.

The D.P.I has sent to Govt in Law (Govt) dept. Considered proposals for payment of subsidies in connection with the opening of new elementary schools, strengthening the staff of existing elementary schools etc. and he states that the grant in aid subsidy to the Conjeevaram m.c. is also included therein. The letters quoted in the D.P.I's and are in the main file should be referred to, and the whole question is under the consideration of Law (Govt) dept. The present request of the Chairman may also be remitted to Law (Govt) dept. So that it may be considered along with the main proposals.

The report of the Chairman are ready for consideration in Law (Govt) dept.

Orders have recently been issued sanctioning the opening of new elementary schools & the strengthening of the staff of existing schools. ~~Sanctioning~~ 5 new schools have been sanctioned for the Conjeevaram Municipality and 4 schools have been allowed additional staff. These proposals involve an additional recurring subsidy from Prov! funds of Rs. 2,328. The D.P.I states that he is not prepared to recommend any further subsidy. His recommendation may be accepted.
