Letter No. 9054, dated 28th September 1921, from the Ag. Registrar, University of Madras, to
The Rev. W. Meston, M.A., B.D.

I have the honour to inform you that an application No. 1188-W.B. 21, dated 8th September 1921, has been received from the Director of Public Instruction, Madras, applying for the affiliation of the Queen Mary's College, Madras, in the L.T. Degree Course. The Syndicate has appointed you to conduct a local inquiry at the College in accordance with the provisions of section 21 (2) (a) of the Indian Universities Act, 1904. It is presumed that you will be willing to accept appointment, a condition of which is that the report should be submitted to the Syndicate within a month from the date of the inquiry, without being disclosed to the authorities of the college.

The application together with its enclosure is forwarded herewith in original to you, and you are requested to be so good as to arrange the date of the local inquiry at an early date in consultation with the Principal of the College.

Letter No. 9055, dated 28th September 1921, from the Ag. Registrar, University of Madras, to the Director of
Public Instruction, Madras.

With reference to your letter No. 1188-W. B.-21, dated 8th September 1921, applying for the affiliation of the Queen Mary's College, Madras, in the L.T. Degree Course, I have the honour, by direction, to inform you that the Syndicate has appointed the Rev. W. Meston, M.A., B.D., to conduct a local inquiry at the college under section 21 (2) (a) of the Indian Universities Act, 1904, and that he has been requested to arrange for the inquiry at an early date in consultation with the Principal of the College.

Letter, dated 5th October 1921, from the Rev. W. Meston, M.A., B.D., to the Registrar, University of Madras.

I have the honour to report that in accordance with your letter No. 9054 of the 28th September 1921, and after consultation with the Principal, I held the local enquiry required under the Universities Act, on Wednesday the 5th October.

The application is for the affiliation of Queen Mary's College, Madras, in the L.T. Degree Course. The Principal informed me that the present arrangement is a temporary one. The class which has now been formed to prepare students for the L.T. degree is a department of the College. As soon as funds are available the intention is to open a separate L.T. College for Women in an adjoining building.

The arrangement that has been made for the department is very satisfactory. The subjects followed by the students of the course are those laid down in the University Regulations, Chapter XXV, paragraph 4:—(i) Theory and Practice of Education (A), (B),

3

(C) and under (D) (1) English, and (2) either (a) all subjects to young children, or (e) History and Geography; (ii) Course in practical training including instruction in school management and practice in teaching. The lectures under (i) are delivered at the college, and the time-table is so arranged that the work of the class does not interfere with the work of any other College class. The room in which the class meets is well-lighted and well-ventilated, and provides ample space. The practical work under (ii) is carried on in connection with the Government Secondary and Training School for Mistresses, St. Thomas' Convent School, and other girls' schools in the city. As no science subjects are at present dealt with, no laboratory requires to be provided.

Under Miss de la Hey, the Principal, the work is conducted by an adequate staff consisting of two full time and two part time assistants, each with special qualifications. All reside in the college buildings.

There are twelve students, eleven of whom live in college while one lives with her parents in Madras. No fees are paid by those who come from the Madras Presidency.

The library contains about 100 volumes and additions are being made.

The question of its relation to other colleges does not arise, as this is the only L.T. department of a College for Women in the Presidency.

The College is under the management of the Government, a sufficient guarantee of the financial condition of the College.

I am of opinion that the affiliation of the College in the L.T. degree course may be recommended to the Senate.

The Syndicate considered the above communication together with the whole correspondence in circulation on the 8th October 1921, and resolved to recommend the Senate to record its opinion that the application for affiliation may be granted by the Government.
