Sir,

With reference to G.O.No.1330 dated 16-9-21 I have the

honour to state that there is hardly any amount at present available
which can be set apart for contingencies.

2. The allotment of Rs.200/- for stamps and stationery is

hardly sufficient for the year, in view of the fact that copies of

Proceedings of all the Council meetings have to be typed and sent

to every member of the Council and to all the Local bodies. The

allotment under the head of Travelling allowance is not at all

sufficient in view of the fact that the Railway-fares have been

considerably increased since-- and I would there-fore request that

the Government will be pleased to increase the allotment under the

head of stamps and Stationery by another Rs.100 and the allotment

under Travelling allowance by another Rs.500/-.

3. It is found by experience that monthly meetings
