but I think there is some case for their getting proportional

Sir,

With reference to Government Memorandum
No. 8992-1 L&M dated 22nd August 21, I have the honour to
state that the teachers referred to were given their sub -

provident fund account at the time of their termination of
the Municipal service. The bonus amount was not given
to them because of the fact that, under the rules then exist-

entitling a subscriber to bonus from the date of the intro-

27 Law (Education) Dept.
 C.No. 2015 A from the D.I. no. 2178 & 12.4.21
Subject. Petition from members of the Staff of
 the Govt. Victoria College, Palghat,
 re their pension etc.

The petitioners prefer two requests

- (1) that their service under the Municipal Council may be considered as approved service qualifying for Govt. pension and
- (2) that due weight may be given to this aspect of the case when the revised scale of pay now under contemplation is put in force.

The Director does not support these requests but thinks that there is some case for the petitioners getting proportionate ~~proportionate~~ provident fund benefits.

2. The first request is obviously out of the question as the petitioners cannot legitimately claim retrospective effect for the advantage of Govt. service which they recently got ^{by a stroke of fortune} ~~more or less unexpectedly~~. As regards the second request it may be pointed out that even in the case of ^{subordinate officers of Govt.} ~~permanent officers of Govt.~~ who have put in long permanent service it is not proposed to count their past service in fixing their ~~pay~~ ^{salary}.

on the revised scale of pay and that there is no special reason for a differential treatment in the case of the Victoria College Staff.

3. The Director's suggestion that they maybe allowed proportional President fund benefit is one for consideration in ~~the~~ the L.S. & dept. to whom the file may be forwarded w. for remarks. It maybe noted that some of the petitioners do not appear to have subscribed to the fund.

L.S.G. Dept.

The petitioners have made only two requests and these have been dealt with in Law (Encl) department. This dept is concerned only with the matter of the Providence fund referred to in para 3 in the memorials of some of the petitioners.

2. The latter observe that they had been Contributing to the Municipal Provident fund but that they have been deprived of the benefits thereof because of the provincialisation of the College and of the termination of their Municipal services. It is not quite clear what they mean. Under rule 14(2) of the Provident Fund rules the accounts of a Subscriber shall be closed when his services are discontinued with so far as the Municipality is concerned by reason of his permanent transfer from qualifying to non-qualifying service and under rule 16(b) the Subscriber or his nominees or heirs - as the case may be - shall be paid the whole amount standing to his credit both under Subscriptions and under bonus.

3. Recently the question was raised by the H.C. as to whether the P. F. Subscriptions and bonus at the credit of Subscribers whose services have been transferred to Govt. service should be paid to them immediately or at the time of their retirement from Govt. service and the Govt. have, in para 1 of their order no. 657 L.S.G. (Ltm) dt 11th April 1921 informed the H.C. that the Provident Fund accounts of such people may be

closed under rule 14(2) of the P. F. rules and
that the fact that the subscribers' dues
have been paid should be noted in
his service register.

4. There seems to be therefore no doubt
~~that~~ under the above circumstances
that these memorialists who have
contributed to the Provident Fund will
get their amounts ^{due to them} under Subscriptions
and bonus ~~and their shares~~ and
not be deprived of them.

T.B.S. The position is not however
quite so clear as the new ^{Prudent} rules.
have effect ^{only} from 1st April 1920. The
petitioners ~~clearly~~ state that they have
been deprived of the benefits of the
Provident Fund. It is not clear whether
they complain that they have ~~not~~ been
~~refused~~ ^{refused} bonus from the Provident
fund or whether they merely mention
the fact that they cannot continue to
subscribe to the Provident Fund. We
may send the petitions to the C.M.C. &
ask for a report.
