To

The Secretary to Government,
Home (Education) Department,
M a d r a s.

Thro'

The Director of Public Instruction,
M a d r a s.

Sir,

I most humbly beg to submit the following petition for our benign Government's gracious consideration and favourable orders.

2. On the 31st March 1921, I submitted a petition to you, through the Director of Public Instruction, praying for confirmation for reasons stated therein. But though it is nearly seven months now, I have not been favoured with any orders on this petition. (Enclosure A.)

3. On the 21st July 1921, I submitted an application to the Director for favour of obtaining Government's orders sanctioning my promotion to the Indian Educational Service with effect from 6th March 1920, the date on which I commenced to act for M.R.Ry N.R. Krishnamma Garu. But so far I have received no orders of Government on that subject either. (Enclosure. B.)

4. While on this subject, I beg leave to make all my requests once for all, as they are connected with one another and to beseech Government to pass such orders as they may deem

as they may deem proper:-

This is under consideration

I. My first request is that I be confirmed. In addition to the reasons assigned in my original petition (Enclosure.A.), it must be clear that, unless I am confirmed, I could not draw either pension or even gratuity when I retired. Nor could the question of extension of my -- service be considered, unless I am confirmed before the -- due date of retirement, when possibly, if not now, the -- Government may see good public grounds to extend my -- service.

II. My second request again is set forth in Enclosure.B. It is that I be declared eligible for promotion to the Indian Educational Service from 6th March 1920 to 31st August 1920, during which period the pay of permanent incumbent of the Office in which I acted was available, so far as I could gather from the Gazette notifications.

Remuneration for first confinement in 1918

III. My third request is that the three periods of my service under Government, Local Funds, and Government again (Enclosure.A.) be taken together and considered -- pensionable. If this requires that I should repay the -- bonus received from the Local Funds for my service under the District Board, Chittoor, I shall be glad to do so. I understand that some years ago, one Mr. Watson, a District Board Engineer, was shown a similar concession.

IV. My fourth request is that, if my District Board service cannot be commuted into pensionable service, my first period of Government service of about six and a half years be reckoned along with my present Government service and I be given a few extensions to enable me to draw a -- fair pension or gratuity at retirement. In this connection I beg to solicit Government's kind attention pointedly to the circumstance that it does look most hard that the Government, after taking me over from the Local Funds, for their own purposes should keep me just for a few years, rendering me thereby less and less fit to start a new --

chapter elsewhere, and then throw me out summarily. But I feel in my heart of hearts that Government could not have meant that, and that they would mete out to me the same justice and generosity, as has been there wont in all such cases in the long, encouraging past.

5. If the requests submitted above involve the condonation of interruptions to Government service or of Government service vitiated by resignation, the Government, I submit, have ample powers to this end, under Civil Service Regulations, of which I beg here to cite a few I know viz Art. 422 and Madras supplement; Art. 418 (a); Art. 432 (1); Art. 423 (2) Madras supplement. Besides under the new service rules, which I have elected to abide by, even deficiencies of service up to a maximum of five years -- could be condoned by Government.

6. In these circumstances, I beg most humbly to beseech the Government to pass favourable orders on this petition. I beg finally to entreat that the orders be communicated to me as early as possible, as the Director has reminded me of my date of retirement as early as in November 1920, in Proceedings P.No. 7897 dated 23-11-1920. And for this act of grace, I shall count myself bound for ever in respectful gratitude to our benign Government.

7. I am submitting a copy of this petition direct to Government to save further delay.

I have the honour to be,

Sir,

Your most obedient servant,

C. T. Parthasarathy

ENCLOSURE.A.

Dated 31st March 1921.

From the grant to me of a retiring pension. In furtherance of this I also venture to think, necessary that I should hold a permanent appointment in the Department, and it is therefore that I submit this humble prayer for my present appointment as also in those held by me in the service in 1919. I understand that the members of the staff

Throver with the Board High School, Chittoor have been already confirmed in Government service. The fact that I cannot put in enough service under Government to earn a pension need not, I venture to submit, stand in the way of my confirmation.

I beg most humbly to submit the following petition of mine for the gracious consideration of Government. I am an educational officer of 30 years' experience and my career roughly divides itself into four chapters. Chapter. 1. Government service 6½ years, as Headmaster, Government Training School, Triplicane; Lecturer, Teachers' College, Saidapet; and Headmaster, Government Training School, Coimbatore. Chapter. 2. Private service 4½ years, as Headmaster, Pachaippa's High School, Conjeeraram. Chapter. 3. District Board Service 18 years, as Headmaster, District Board High School, Chittoor. Chapter. 4. Government service again since June 1919 as Headmaster, Assistant Inspector and (since January 1920) Inspector of Schools.

From the foregoing para the Government will be pleased to see that most of my work has lain in institutions under Government or other public management, and I hope therefore, when the time comes for my retirement, to be

able to appeal to Government for the grant to me of a retiring pension. In furtherance of this I also venture to think, necessary that I should hold a permanent appointment in the Department, and it is therefore that I submit this humble prayer for my present appointment as also in those held by me in the service in 1919. Sir,

I beg most humbly to submit the following petition of mine for the gracious consideration of Government. I am an educational officer of 30 years' experience and my career roughly divides itself into four chapters.

Chapter I. Government service 6½ years,
as Headmaster, Government Training School, Triplicane; Lecturer, Teachers' College, Saidpet; and Headmaster, Government Training School, Coimbatore.

Chapter II. Private service 4½ years, as Headmaster, Pachappa's High School, Coimbatore.

Chapter III. District Board Service 18 years, as Headmaster, District Board High School, Chittoor.

Chapter IV. Government service again since June 1919 as Headmaster, Assistant Inspector and (since January 1920) Inspector of Schools.

From the foregoing facts the Government will be pleased to see that most of my work has lain in institutions under Government or other public management, and I hope therefore, when the time comes for my retirement, to

be able to appeal to Government's mercy, not wholly without grounds, for the grant to me of a retiring pension. In furtherance of that future hope, and also as a matter of present advantage and status, it is, I venture to think, necessary that I should hold a permanent appointment in the Department, and it is therefore that I submit this humble prayer for confirmation in my present appointment as also in those held by me since my reentry into the service in 1919. I understand that the other members of the staff taken over with the Board High School, Chittoor have been already confirmed in Government service. The fact that I cannot put in enough service under Government to earn a pension need not, I venture to submit, stand in the way of my confirmation, for such a consideration did not prevail in the case of Mr. Sedambi Subba Rao (late Superintendent of Sanskrit schools) who was confirmed despite his inability to put in the pensionable minimum of service. Moreover the concession of this favour to me will not incommode Government, while it may stand me in good stead in some future emergency. The appointment in the Madras Educational service which I held sub pro tem on my re-entry into Government service was and perhaps still is permanently vacant, while the one I now hold in the Indian Educational Service is practically a permanent vacancy.

I know I cannot claim this confirmation as a matter of right, but I have ventured to appeal to the Government's mercy in the name of the good work that I have rendered in the field of education for over 30 years, during which I have built up a reputation second to none, as might be seen from the brochure of testimonials already submitted to Government along with my petition dated 12th March 1920. In these circumstances, I most humbly beseech Government to be so pleased as to pass favourable orders

Sir,

In continuation of my petition to Government
R.C. 281 G1/21 dated 3rd July 21, submitted through you
I have the honour to enclose herewith the Accountant-
General's letter No. G.A. 71/3542 dated 11th July 21 --
(Enclosure 1) sent in reply to my letter to him No.281
G1/21 dated 12-6-21 (Enclosure 2).

2. The Accountant-General's difficulty seems to
be two-fold. In the first place, he thinks that it was
not the intention of Government that I should have this
retrospective promotion prior to 1st September 1920.
But I venture to think that he is in this matter under
some misapprehension. My grounds for thinking so are :
that the Government's order times my promotion to have
effect during the absence of M.R.Ry N.R.Krishnamma Garu,
which commenced on 6th March 1920, that I acted in this
vacancy and in the same circle from that date, and that
the pay of the post was also available from that date, so
far as I could gather from the Gazette notifications.

3. In the second place the Accountant-General
thinks that, as the new leave rules were not in force
before 11th September 1920, (under article 144 of the --
Civil Service Regulations) I should obtain the sanction
of Government for drawing the full minium salary (Rs.400/)
of the appointment in which I officiated from 6th March
1920. As it could not possibly have been the intention

of Government to deny me this promotion for the period antecedent to 11th September 1920, while they generously granted it after that date, I would request you to be good enough to obtain Government's orders to make it clear to the Accountant-General that I am eligible for this promotion to Rs. 400/- from the 6th March 1920, the date on which I commenced to act for M.R.Ry N.R. M a d r a s.

Sir,

I beg to state that, in continuation of my three petitions to Government through the Director of Public Instruction dated 31-3-21, R.C. I pray that, in consideration of the long waiting I have already done in the matter, and its vital importance to me, the Government will be graciously pleased to pass very early orders on the several matters submitted in these petitions.

I beg to remain,

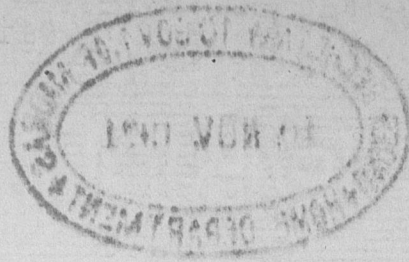

Sir,

Your most obedient servant,

Anantapur :

14 th October , 1921 .

Dear Sir ,

I believe you remember me . I called on you about two months ago with a note of introduction from Mr. H.G.Gharpurey , Collector of Tanjore , and represented my case to you , the particulars of which will , I think , come back to your mind on reading the enclosed petition . I am not in a position to say whether the Director has forwarded my papers to you officially as yet , though it is seven months ago that I submitted my petition to him . If he has not , I would request you to call for them at once and dispose of them as early as you can , seeing that I am in the ordinary course due to retire in March next . I trust I shall have all your kindness and sympathy in the rather unfortunate predicament in which I find myself .

With all regards ,

I remain ,

Yours sincerely ,

C.T. Parthasarathi

Inspector of Schools .

Subject - Memorial from M.R.R. C.T. Parthasarathi mudaliyar for confirmation in service

The D.P.I submits to Govt a memorial from M.R.R. C.T. Parthasarathi mudaliyar, acting Inspector of Schools, requesting that he may be confirmed in Govt service. When the Boars high school, Chittoor, was taken over under Govt management from 1st June 1919, Mr. Parthasarathi mudaliyar who was the headmaster of the school, was also taken into Govt service. He was at that time 52 years old & was in receipt of a pay of Rs. 200 per mensem in the Board's service. The D.P.I stated that "he has not been popular as headmaster at Chittoor" but that as he was "reported to be a capable man" and seemed "still vigorous" he might be tried in a new sphere of work until he attains his 55th year of age. The Director proposed the transfer of Mr. Parthasarathi mudaliyar as Assistant Inspector of Schools, Coimbatore (Sub problem) in the last grade of the Prov^d est^d service (Pay Rs. 200). This recommendation was accepted by Govt.

2. Towards the beginning of 1920, when Mr N.R. Krishnamma who was director of Schools in the Telugu district was ~~trans~~ posted as Additional Deputy Director, the D.P.D recommended the appointment of Mr Parthasarathi mudaligar as acting Director of Schools in place of Mr Krishnamma & stated that there was no other suitable Telugu knowing officer in the Department whom he could think of for the acting vacancy. The Govt approved the proposal & since then, Mr Parthasarathi mudaligar has been acting as an Director.

3. The rates at which Mr Parthasarathi mudaligar has been allowed to draw pay from the date of his appointment are as shown below: -

	Rate per month	
from 1 st June 1919 to 1 st Dec 1919.	Rs. 200	(the minimum pay of P.E.S in the 1 st scale).
, 1 st December 1919 to Dec 1920.	Rs. 250.	(the min pay of the time scale (B)).
from December 1920 - - - - -	Rs. 400	as acting Director in the D.E.S.

4. Mr Parthasarathi mudaligar has not yet been confirmed in service. He now requests that this may be done. The Director, however, states that he is not prepared to recommend his confirmation. Mr Parthasarathi mudaligar will attain his 55th year on the 27th March 1922 & will, in the ordinary course, retire from service on

that date. In his memorial he states that as his service has ~~not~~ been mostly in District Board & Govt service, he hopes to be able to ask for a retiring pension from Govt in due course. This request will not, it is submitted, be admissible under the C.S.R. For his service under the District Board he has received a bonus from the Board's provident fund; as regards Govt service, at the time of his retirement he will have put in only 2½ years' service. For service less than 10 years, no pension is admissible but only a gratuity, and Mr Parthasarathi mudaligar will, if confirmed, be eligible for a gratuity of two months salary. It, however, the D.P.D does not recommend the request, it is for orders what reply should be given to the memorialist.

The D.P.D's reasons against confirming Mr. Parthasarathi Mudaligar are not known. Presumably he considers the officer too overaged & very near his retirement for Confirmation in Govt. service. The officer is capable & vigorous & has actually been taken in Govt. service

19/10

+discharging his duties presumably
 satisfactory for nearly 23 years now.
 If he had not been overaged he
 would ordinarily have been confirmed
 in foot service. But merely for the
 fact of his age why should he be
 denied the small benefit of
 gratuity which he would deserve
 by confirmation? Obviously this
 is the only benefit he can get by confir.
 It may not be fair to deprive him
 of this legitimate claim. It might
 look awkward to confirm him on the
 eve of his retirement; but there was
 no apparent reason to have postponed
 this for 23 years. ^{though} Some time might
 have been allowed to watch his work
 in a new sphere viz. the inspectorate.
 The D.P.I. may perhaps be asked
 as to why he may not be confirmed
 at least to qualify him for a gratuity.

 The gratuity of the rank's salary is
 hardly a consideration for his

The D.P.D. has since forwarded the
memorial, dated 14th October 1921, from
M.R. Ry C.T. Parthasarathi Mudaliyar.

As stated on the previous page, four requests
are preferred in the memorial viz,

(i) Confirmation in Govt. Service
(ii) Acting promotion to the S.D.S. from
6th March 1920.

(iii) Grant of pension for the aggregate
period of service under local funds
& Govt., or

(iv) Grant of a few extensions of service
so as to make his service under
Govt. pensionable.

2. Requests (i), (iii), & (iv) go together. The
D.P.D. is not prepared to recommend any
of them. As the Hon'ble the Minister has
already

already declined to entertain the first request
 & As the 3rd & 4th requests are dependent
 on the first, it is for orders whether Mr. Partha-
 sarathi mudaliyar may be informed
 that the Govt are unable to accede to
 these three requests.

3. As regards the second request,
 viz, acting promotion to the S.D.S, the
 D.P.S states that he has recommended
 this. It has been ascertained that the
 Director has forwarded his communication
 through the A.G. & that it is still in the
 office of the latter. Orders may be
 passed on it separately on receipt
 from the A.G.

3. The D.P.S is not prepared to recommend
 the grant of an extension of service

Attention is solicited to para 459 (b) of the CBR, which requires that officers on attaining the age of 55 should be required to retire from the service unless unquestionable public grounds for retention exist and there is no doubt as to the physical fitness of the officer. Extension may be granted only for one year at a time

4. Acting promotion to the JES: - He has since reported on the subject. The file will be submitted separately for orders.

The above appears only once in his prayers in his memorial. It may also be considered & find its place in all his prayers in his memorial. There is no objection in giving him an endorsement in only one of his prayers in his memorial.

The draft below deals with the first request of the memorialist. (viz, confirmation in last service) The second request (viz, acting promotion to the J.E.S.) is dealt with in the linked file.

Issue this as in the rate this of allowance. [Signature]

(Counting local fund + Govt. service together for pension)

The third request may, as suggested on page 9 supra, be referred to the A.G. for remarks. A draft memo is submitted for approval.

2. The fourth request that he should be granted a few extensions of service. Attention is solicited to G.O. No 1298, dated 5.11.20, in which he has already been permitted to retire from 27th March 1922, the date on which he attains 55 years of age. It is for orders whether this order will now be reconsidered. Attention is solicited to para 3 of office note on page 9 & 10 supra. The final order may state that the Govt. are unable to grant the request.
