7. Construction of a model school building for locating elementary school and art school.

9. Para. 3 of the address.

It will no doubt be a hardship for the fees to be levied now after 10 years since their abolition in 1911. The General question of abolition of fees in elementary schools appears to be ~~apparent~~ separately under the consideration of the Government - vide para. 5 of G.O.N., 418 L. & M., dated 5th March 1921.

The Kumbakonam Municipal Council has been permitted as a special case from time to time to waive the levy of fees in its elementary schools -c.f, G.O.446 M, dated 9th March 1918 and G.O.No.1407 M, dated 18th August 1919. Rule 51 of Schedule IV of the new District Municipalities Act 1920, is not new. It only repeats Sec.123 (1) of the Madras District Municipalities Act, 1884. No fresh sanction for waiving fees seems to be necessary; but the question will be considered in consultation with the Law (Education) Department when the Council's application for exemption is received.
