To
The Minister for Education,
M A D R A S.

Sir,

With reference to G.O. No. 516 d/2-4-21, I have the honour to inform you that the amount granted to this Council to meet the T.A. to members is Rs 500. This amount has been spent towards the T.A. of the members for the first two meetings of the Council. The third meeting of the Council was held on the 26th of August 1921 and no amount is available for T.A. to the members who attended.

The average T.A. for each meeting amounts to Rs 250 and for the remaining official year a sum of nearly Rs 2000 may be required for the purpose and I have the honour to request therefore you will be good enough to place the amount to my credit in the District Treasury, Coimbatore, as soon as possible.

I have the honour to be,

Sir,

To

The *Secretary to the Government,*
Law Education Dept.,
M a d r a s.

Sir,

With reference to your R.C. No. ~~143~~ of 21 dated 26-9-21 I have the honour to enclose herewith the detailed statement called for.

2. No District Board meeting was held at the time of the first two meetings of the District Educational Council. The third meeting of the Educational Council was held on the 16th of August 1921 when the District Board meeting was held. But for this third meeting no T.A. has yet been given for want of funds.

3. In this connection I have the honour to invite your kind attention to G.O. No. 1335 dated 16-8-21 limiting the T.A. of the members of a District Educational Council and the President including his establishment if any to Rs 500 per annum, which I am afraid is quite inadequate for the purpose as may be seen from the enclosed statement. Only three meetings of the District Educational Council have been held so far and an amount of ~~Rs 116~~ Rs 616 has been incurred already for two meetings alone. For want of funds the T.A. for the third

meeting is not yet given. The average amount of T.A. for each meeting may be estimated at not less than Rs 250. Further if the President were to go out on tour with a view to be in actual touch with the Elementary schools of the District he might devote at least one week in two months for the purpose, and the T.A. on his behalf and his establishment may be estimated at not less than Rs 500. Thus with the greatest possible economy the minimum total charge on account of T.A. on behalf of the District Educational Council will come to Rs 2000.

4. In the light of the above circumstances I have the honour to state that the amount of Rs 500 sanctioned is quite inadequate towards the T.A. of the District Educational Council and to request that an amount of Rs 2000 be sanctioned ~~per annum~~ ~~per annum~~ per annum.

I have the honour to be,

Sir,

Your most obedient servant,

M. Argyasawamy Pillay

Station M a d r a s, Dated the 16 November 1921From (Name) R. Littlehailes Esq., M. A., M. L. C.,(Designation) Director of Public Instruction,M a d r a s.To The Secretary to the Government of Madras,L a w (Education) Department.

Sir,

The President, District Educational Council, Coimbatore in his letter R.C.No.179 of 1921 dated 6-9-1921 (copy enclosed) applies for an increased allotment, for the payment of travelling allowance to members of the council. In answer to a reference asking for further particulars, the President, has submitted a statement which shows that on an average a sum of Rs.308/- per ^{meeting} month was required for the payment of travelling allowance to non-official members who attended the first two meetings. The third meeting was held along with that of the District Board's and four of the members who are on the District Board, will receive their travelling allowance from that Board in accordance with G.O.No.1069 Law(Edn) dated 22nd July 1921, and the amount

22 8

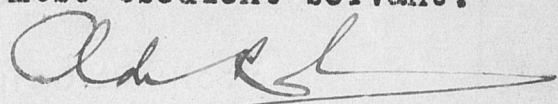

that will be payable to other members from the Council funds will be ^{about} Rs.170/-

Supposing ~~that~~ all meetings of the District Educational Council are so posted as to come off with the District Boards, the expenditure on travelling allowance debitable to the councils' funds will be about Rs.170/ per meeting. As each council has to meet at least once in two months or six times in a year, the minimum amount required by the council for travelling ---- allowance may be estimated at 6 X Rs.170 or ^{roundly} nearly Rs.1,000/- In these circumstances, I have the honour to recommend that the maximum amount which the District Educational Council, Coimbatore, may pay for travelling allowance in the current year may be raised to Rs.1000/-

I have the honour to be,

Sir,

Your most obedient servant.

for Director of Public Instruction.

Letter from the President, District Educational Council, Coimbatore, R.C.No.179 of 1921 dated 6th September 1921.

.....

With reference to G.O.No.516 dated 2-4-1921, I have the honour to inform you that the amount granted to this council to meet the travelling allowance to members is Rs.500. This amount has been spent towards the travelling allowance of the members for the first two meetings of the council. The third meeting of the council was held on the 26th of August 1921, and no amount is available for travelling allowance to the members who attended.

The average travelling allowance for each meeting amounts to Rs.250/ and for the remaining official year a sum of nearly Rs.2000/ may be required for the purpose, and I have the honour to request therefore you will be good enough to place the --- amount to my credit in the District Treasury, Coimbatore, as soon as possible.

2. Please recall the linked file. There is a provision of Rs 6 lakhs under "31 C (b)-(iii)" for expansion of Primary Education and for meeting the cost of District Educational Councils from which the extra expenditure can be met. Attention is however invited to the late Minister's Statement in Council on the 26th March last in page 7914 (W)

A sum of 6 lakhs was proposed for the expansion of ~~the~~ Primary Education and for meeting the cost of Dist. Educational Councils under 31 C (ii) - Primary Education - Primary. This sum of 6 lakhs, is

Considering ~~that~~ that a sum of 1.36 lakhs may be required for Educational Councils. However the Honble the Minister for Education stated during the line of voting of grants, that ~~only~~ a sum of Rs 45,000 will be spent on the Dr. Educational Councils.

~~Statement~~ The information was however furnished on a rough estimate. The losses of the Legis. Council was ~~not~~ for reducing the grant but for increasing it. In these circumstances, there seems to be no objection to give an additional

allotments for the Dr. Education Councils where they are found inevitable. However, it is ~~considered~~ that the expenditure should not exceed the budget grant. As stated by Law (Con) Dept.

with the clear, even the budgets for the Dr. Ed. Councils are becoming for the current year, as to what ~~additional~~ ^{is likely} sum will be required for the Councils.

2. The present proposal to give an additional allotment of Rs 500 to the Dr. Educational Council, Coimbatore, in order to meet the travelling expenses of the members may be agreed to. The attention of the President may be specially drawn to the necessity for their tours and also to hold their meetings on ~~the~~ ^{the} days on which Dr. Bd. meetings are held, as ~~proposed~~ ^{indicated} by Law (Con) Dept.

3. The case may be returned to Law (Con) Dept.
