U.O. Note No. 5106 A-1 dated 31st October 1921.

The Accountant-General has reported that applications from non-gazetted officers for advances for the purchase of conveyances have been forwarded by him to the administrative departments of the Secretariat concerned with the remark that they might be made payable in the next financial year. The ^{se} reported ^S were made on the assumption that only a provision of .40 lakh has been made for non-gazetted officers out of the total budget provision of 4.80 lakhs and that the balance is for Gazetted officers.

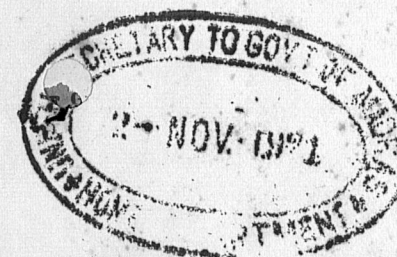

2. It has now been decided that the total provision of 4.80 lakhs should be considered as a single unit of appropriation.

Departments of the Secretariat may be requested to deal with applications pending with them on the assumption that funds are available during the current year.
