Copy put up.

The scales of allowances granted to Govt. of India State scholars prior to the ~~beginning~~ ^{start} of the war are given on page 1 of the pamphlet on State scholarships. Since 1916 the Secretary of State has, on various occasions, granted increases in the rates of allowances as well as war bonuses owing to the high cost of living in the United Kingdom during the war. The original rates and the increased rates of allowances at the various stages are compared in the following statement.

Nature of the Scholarships	Pre-war allowance per annum	Increase From 1-4-16	Increase From 1-1-18	Increase From 1-6-19	Increase rate from 1-6-19 at present force
	£	£	£	£	£
University Scholarships	250 at Oxford & Cambridge - 200 elsewhere	50% increase 250 + 12½ or 200 + 10	250 + 12½ 200 + 30	250 + 50 200 + 30	300 + 250 +
Technical "	150	150 + 7½	150 + 30	no change	200 +
Male members of the domiciled community	250 at Oxford & Cambridge 200 elsewhere	250 + 12½ or 200 + 10	250 + 12½ 200 + 30	250 + 50 200 + 30	300 + 250 +
Oriental languages "	Do.	Do.	Do.	Do.	Do.
Female members of the domiciled community	200	200 + 10	200 + 30	no change	300 +
Indian woman graduate	200	200 + 10	200 + 30	no change	300 +

(*) 20 non-eligible scholars at Oxford & Cambridge - £200 + 7
 " " " " " £250 +

may cases: 21

Initial Scholar - £ 200 + 50 - £ 100 + 40.

Scholars at Universities
Mer man Oxford & Cambridge £ 250 + 50 - £ 250 + 40

Women Scholars - £ 300 + 45 - £ 300 + 22 1/2.

The ~~same~~ allowances at present granted to other scholars will remain unaffected. The

Govt. of India agree to the above reduction, which is to take effect from 1st January 1922. It will appear from the above that the reduction proposed is not much and we may agree to the reduction. The Govt. of India have decided to

provincialize all State Scholarships and the incidence of cost of the Scholarships that are now current will be provincial with effect from 1-1-21. - Vide India's letter no. 118, of 26.10.21.

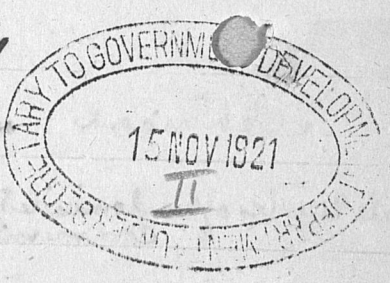

The ~~D.P.D.~~ Development Dept. in respect of technical Scholarships in which there is considerable reduction in the allowances, may be requested to offer very early remarks on the proposed reduction of allowances. It does not seem necessary to consult the D.P.D. in the matter.

At present the State Technical Scholars are paid £200 + 50 per annum and from the telegram it would appear that it is proposed to reduce the allowance to £100 + 40 per annum. The Govt. of India say that they agree to the small reduction in war bonuses. In the case of Technical Scholarships not only the war bonus is proposed to be reduced but also the principal allowance by 50%. With regard to the other Scholarships only the war bonus is proposed to be reduced. Apparently the telegram in which figure 100 is a mistake for 200. Perhaps the Govt. of India may be asked to say if that is not so. A draft telegram is submitted.
