Copy of letter from Miss J. Joseph. 3582

I am enclosing my degree diploma. I am also enclosing five of my recommendatory letters. As for the detailed statement of special work in Economics already done by me, I have the honour to inform you that I have passed both the ordinary pass B.A. and the B.A. Honours degree examination in Group V., (History and Economics). I took the first place in the Presidency in the B.A. Honours examination and also gained the Norton Prize for Economics. From 1917 to 1921 I have ~~the~~ been teaching Economics to the B.A. students of Queen Mary's College. Besides I attended for one year a course of Economics lectures given to the Diploma students.

The subject of research which I propose to take in London is Economics.

From.

Gilbert Slater, M.A., D.Sc.,  
Professor of Indian Economics  
University of Madras.

Miss Teresa Joseph, after a very distinguished career as a student in the University of Madras joined the Evening class for students engaged in the day time for the Diploma in Economics, being desirous of seizing every available opportunity of obtaining further mastery of the subject.

I now hear that acting on the advice of the Ag. Principal of Queen Mary's College, of which she is a member of the staff, she is applying for a Government of India scholarship in order to carry on advanced studies in the London school of Economics, or elsewhere in England.

I feel that such a scholarship if granted to her would be most judiciously disposed. The subject of Economics needs to be studied from Women's points of view as well as men's. The need for competent teachers and trained investigators in Economics in India is great and urgent, and both by reason of her remarkable ability and great earnestness.

Sd. Gilbert Slater.

Miss Teresa Joseph has been a pupil of mine since her admission into the IV year Honours class of the Maharaja's college in 1915. She had then passed the B.A from the college taking a high second class both in History and English.

She was unquestionably the best student of her year in the Honours and though she failed to secure a first class in the recent Honours Examination there being none in the Presidency- she justified our expectations by obtaining the first rank in the second class.

She displayed a striking ability in mastering her subjects: from the essays that she wrote for me I found that she could express herself in a style that was fluent and clear and as far as I could judge from her share in the discussion classes she could speak freely and with ease.

I am confident that she would prove to be a valuable acquisition to a college. She would win the respect and affection of her pupils and discharge her duties to the complete satisfaction of the authorities under whom she might be placed.

Sd. C.V. Chandrasekharan, B.A. (Hon)  
Professor of History  
H.H.The Maharaja's College.

Miss Teresa Joseph was a member of the English classes in this college during the two years of the B.A. course. Her work was consistently most satisfactory. I should think that she would do excellent service in the Education Department.

Sd. D. J. Sloss  
Professor of English.  
H.H.The Maharaja's College.

My dear Miss Joseph,

I congratulate you on your brilliant success-- which I know was thoroughly deserved. I saw your name in the Gazette, and thought of you.

I should be most happy to bear the best testimony to your abilities and your thorough fitness for the post in the Women's College

4  
to which you aspire. I hardly like to write direct and send a recommendation, as it might be thought an impertinence; but you can either refer to me or send on this letter if you like. You were certainly one of the best pupils that I have ever had-- always reliable for sensible answers, and always so nicely behaved.

---  
Wishing you all success,

I remain

With kind regards

Yours sincerely

Sd. Glyn Barlow.

Miss Teresa Joseph B.A Honors is applying for a post in a first-grade college. She hopes thereby to keep up her studies. Her success in the B.A.Honors does not surprise me. She was an excellent student and I am proud to remember that she began her University Studies in the Ernakulam College. To be bracketed for the University prize is an unusual distinction for a woman and marks her out among her fellows.

I should be glad to give any further information about what might be wanted, as I happen to know not only her but her sister and as she is related to the bishop of Ernakulam whom I know well.

Sd. F. S. Davis.

In para 2 of this Govt Letter No 1526 of 17-12-20 the G.D. were informed that Miss Joseph is an M.A. (Hons). In their telegram on p-1 ante that Govt asked for information as to the class obtained & subjects taken by her in B.A. & M.A. degrees. The D.P.D. was asked to furnish this information and his reply on p-2 ante was communicated to G.D. They again ask now for information about the M.A. degree that she is supposed to have taken. From the <sup>(read with India's telegram on p-1 ante)</sup> D.P.D.'s note on p-2<sup>th</sup> it would seem that she appeared neither for the B.A. <sup>(Pass Degree)</sup> nor for the M.A. degree examination. She appeared only for B.A. (Hons) examination and ~~after~~ two years afterwards <sup>(she)</sup> passing this examination was admitted to the M.A. (Hons) degree without any further examination. Vide University Regulation No 210 as it stood ~~in~~ 1918. The Govt of India may be informed accordingly. The following reply telegram is for approval:-
