I cannot advise the acceptance by Government
of the Regulation in its present form. I suggest
that the University be called upon to state expli-
citly what persons ^{and} what classes of persons will
be covered by the term 'officer or servant of the
University.'

I am of opinion after perusal of the Indian
University Acts of 1857 and 1904 that University
Professors are servants of the University. If then
the Regulation as suggested be approved by Govern-
ment University Professors will be debarred from
serving on the Syndicate. My own view is that
University Professors ought not to serve on the
Syndicate but the member of the Senate who moved
the resolution

the resolution that no officer or servant of the University shall be a member of the Syndicate apparently referred only to the Registrar and to the Assistant Registrar of the University.

It is desirable ^{before} ~~for~~ sanction is accorded to this Regulation first that Government is ^{made} fully aware of what is involved in the wording of the resolution which is sanctioned and secondly that the resolution as worded represents the intention of the Senate.

It is unlikely that the Syndicate will do this without further reference to the Senate. In any case we can make the reference.

16.11.21

I don't think with the meaning of his ~~resolution~~ proposed regulation is at all secure. The words "officer or servant of the University" ^{very likely} include the University professors, the Registrar & the Asst Registrar. It is ^{in fact} to decide if they will accept the resolution of

the Senate. Have you got a report of the discussion in the Senate on this resolution. If available it may be put up.

18.11.21

The newspaper report of the proceedings is the only report we have. Please see slip (K) already in the file.

19.11.21

The sense of the resolution ~~is~~ as will appear from his newspaper cutting (page 2), ^{though} that the resolution would apply only to the Registrar & Asst Registrar. Whether it would or would not appear to have been discussed. If after discussion the Senate resolved to pass his resolution I do not see why it should not sanction it.

The University Senate is kept up as an expert body which consists of judges of high rank, doctors, jurists & lawyers & presided by Law Members of Govt. This expert body of University knows their own minds very well. The

Resolution to be in plain simple English
which does not admit of equivocation.

The Vice-Chancellor could not
say whether a University Professor or an
Professor was an officer or servant.
The resolution of the Senate cannot now
be explained to the Syndicate as the
Registrar -

It might include University Professors
also being paid from University funds -

The resolution as it stands will be
accepted. The expert body will
decide if a question of law arises in any particular
case - 22/11/21

REGISTRAR, NOT TO BE ON THE SYNDICATE.

Mr. Satyamurti next moved that "no officer or servant of the University shall be a member of the Syndicate."

Mr. K. Ramunni Menon seconded the resolution.

In answer to one of the Fellows of the University the Vice-Chancellor said that he could not say whether a University Professor, or Assistant Professor was an officer or servant of the University or not.

Mr. Satyamurti said that his resolution would refer only to the Registrar and Assistant Registrar and quoted the regulation (17 of chapter XV) in support of his statement. His resolution would not govern any officers or servants not covered in the chapter.

Rev. Gardiner:—Is Vice-Chancellor of the University an officer or servant of the University?

The Vice Chancellor:—I cannot answer the question. (Laughter).

Mr. S. Srinivasa Aiyangar said that if a person was a servant of the University he should not be on the executive body.

Mr. K. B. Ramanathan said that conflicting duties should not be imposed upon University officers. They should not be on the Syndicate if that principle was to be observed.

The resolution was carried.

There is no such regulation now.
