Madras Station, Dated the 5th October 1911.

From (Name) R. Littlehailes Esq., M. A.,

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,
LAW (EDUCATION) Department.

Through the Accountant-General
Sir,

I have the honour to request that in the circumstances explained hereunder, Government will be pleased to sanction the employment temporarily up to the end of March 1922 of an Assistant Lecturer in History in the Queen Mary's College on Rs125/- per mensem and without allowances which is the minimum starting pay of the Subordinate Educational Service (Collegiate Branch) Men's Section.

2. The Principal of the college reports that the large increase in the strength of the college as a whole from 150 to 185 and of the I year Class in particular from 67 in 1920-21 to 96 in the current year has resulted in a general and considerable increase in work and has necessitated the division of the class into sections for lessons

to make that individual attention possible which has been a characteristic feature of the College from the beginning; the additional work thus entailed on the members of the staff makes it impossible for them to continue to work under the present strain without detriment to their other important duties which a residential ^{institution} ~~instruction~~ necessarily involves. The Principal ^{therefore} requests that relief may be afforded to them urgently by the employment of a temporary additional assistant lecturer in History.

3. The Principal ^{herself} has too much lecturing work and is unable to administer the College efficiently except by working continuously at high pressure. ~~It~~ It has not been possible to arrange for lectures in European History to the III year class.

Relief is immediately required if the college is to maintain its present high level of efficiency. I therefore recommend that sanction may be accorded to the employment of a temporary assistant lecturer in History who will ~~relieve~~ relieve the Principal and the more heavily worked lecturers of a portion of their teaching work and take up European History for Class III for which no provision can be made with the existing staff.

4. Since qualified women are not available and since the employment of men is more economical than the ~~employment~~ ^{employment} of women, I request that I may be permitted to appoint a man in the temporary post herein recommended.

5. I further request that considering the urgency of the case, Government may be pleased to accord their early sanction to these proposals so that the additional lecturer may be appointed immediately.

6. The entire expenditure of ~~Rs 562~~ Rs 562½ for 4½ months in the current year can be met from the anticipated savings out of the lump provision of Rs10,000 for the opening of Group I of the Intermediate Course in the Government Muhammadan College, Madras, included in the Budget Estimate of that year. I request also that

provision for the salary of the assistant lecturer for one month during 1922-23 may be caused to be ^{inserted} ~~created~~ in the Budget Estimate for that year.

I have the honour to be

Sir,

Your most obedient Servant.

Queen Mary's College for women - Temporary

From the D.O.D., N. 157 H.W.B. 2 5.10.21
Not by the D.O.D., N. P.A. 5/12 2021 12912
16.10.21

In connection with the
recruitment of a Professor ^(in the Queen Mary's College) in the place
of Miss McCormick, who was on combined
leave, the D.O.D. stated in March 1921 that
a graduate who would be able to take up
English in the P.A. classes and logic in
the Intermediate classes, with a knowledge
of Latin or French should be recruited.
~~Later~~ ^{Subsequently} the D.O.D.'s letter of 1-2-21 P.O.
N. 1125, 2 5.8.21. ^{Subsequently} ~~Later~~ when the
 candidature of one Miss Lawrence ~~with~~
with History qualifications was under
consideration, the D.O.D. in consultation with
the Principal, Queen Mary's College, reported
that the Principal found it impossible to
deal satisfactorily with the large number
of History students and History classes in the
College and suggested the creation of an
additional post ^{of Professor} ~~than that of a lecturer~~ in History and the
appointment of Miss Lawrence ^{to the former} ~~to the latter~~
N. 40 W.B.
The D.O.D.'s note is on page.

Revised (I)

page 7 of 8. No. 1108, of 2.8.21. The suggestion
was not, however, approved, on the ground among
^{others} that the proposal to give relief to the Principal
in History was only an afterthought and
that the appointment of an addl. professor to
assist the Principal was unnecessary. —
Vide Muz's note on page 7-8 of No. 1108,
of 2.8.21.

2 From the D.P.'s current letter it will be seen that the strength of the college as a whole has since increased, and that it has necessitated the division of the 1st year class into sections for lessons in Latin circumstances stated in para 2 & 3 of the letter English. The relief now proposed to be given to the Principal and other members of the staff for the employment of a temporary additional assistant lecturer in history seems reasonable and may be approved. A draft order sanctioning the proposal is submitted for consideration.

It may be sent to the Finance Dept. for acceptance.

I fear I am not able to
Sanction the request: the
appointment of a male assistant
to the principal to lecture on
History. On principle, no
male with SD be appointed &
from the facts stated in the
letter I do not see a proper case
has been made out to appoint
a assist to lecture in History.
On financial ground also I am
not approve of the proposal.

With reference to rule 8 of the Council rules a draft w.o. note to the D.P.J. is submitted for consideration.

I shall be pleased if Government will be good enough to reconsider the proposal to disallow my proposal for the employment of a temporary assistant lecturer in History in the Queen Mary's College for women, Madras. I have looked into this matter very carefully and am convinced of the absolute necessity of some assistance being given to the College. If no assistance is given we shall have to turn out at the end of the term or year a large number of students who have been admitted and we are on the verge of having a break-down in health of some of the staff. I should be pleased to lay my views personally before the Minister in charge
