I.

From the Director of Public Instruction, R.C.No. 176/W.B/20., dated 18th May 1921 :--

I have the honour to inform you that Government in their Order No. 88-W., dated 12th October 1914 were pleased to sanction the construction of free quarters for the Head Mistress of the Government Girls' School, Walajapet, North Arcot District. A report has been received from the Inspectress stating that two of the Assistant Teachers also experience considerable difficulty in obtaining suitable accommodation in Walajapet and are obliged to walk 3 miles daily to school from Ranipet and therefore it is necessary to construct quarters for the use of these teachers in the school compound. The building now used by the Head Mistress is reported to be insufficient for her own requirements and the proposal is then to retain the present building for the use of one Assistant Teacher and to construct two quarters, one for an Assistant and the other for the Head Mistress (will be slightly bigger than the other two. I also request that you will be so good as to obtain the administrative approval of Government extending the concession of providing free quarters to two of the assistants of the school.

2. Plans and estimates received from the Public Works Department are herewith submitted.

II.

Note by the Chief Engineer, Public Works Department, No. 1860 Wks/A-1., dated 5th September 1921 :--

The Director of Public Instruction submits for the sanction of Government plans bearing N.A.Nos. 12 and 12-A/1921 and an estimate of Rs. 2750 for constructing additional quarters for the Head Mistress and one of the assistants of the Government Girls' School at Wallajah, North Arcot District.

2. The plan and estimate of Rs. 2750 have been examined in the Chief Engineer's Office and it is observed that the cost of the quarters is much in excess of the permissible limit of outlay. With a view to keep down the cost as low

- (a) Reducing the depth of concrete in floors from 4" to 3".
- (b) Providing doors and windows with country wood frames and teak shutters instead of teak entirely.
- (c) Omitting the 2 windows marked W on plan N.A.No. 12-A/1921 and also the door D leading from the bed room to the store room as these are not necessary.
- (d) Reducing the length of the hall and the rooms in rear in the quarters of the Head Mistress by 3'-2 1/2".
- (e) Owing to the modifications mentioned above the amount of the estimate has been reduced from Rs. 2750 to Rs. 2370.

3. With these remarks the plans and estimate of Rs. 2370 as corrected in this Office are recommended for the administrative approval of Government.

ORDER :-- No.1418-W., dated 30th September 1921.

The estimate as altered in the Chief Engineer's Office amounting to Rs. 2370 for constructing quarters for the Head Mistress and One Sub-
 * in accordance with plans N.A.12 & 12/A/1921.
 Assistant in the compound of the Government Girls' School at Wallajapet, North Arcot District is approved subject to the remarks of the Chief Engineer in his note read above.

2. The plans and the estimate are forwarded to the Superintending Engineer, Seventh Circle for revision and technical sanction.

3. The cost of the work should be kept as low as possible.

In the circumstances explained in the current letter, the necessity for providing the headmistress and two assistants of the Government Girls' School, Walajapet, WITH FREE QUARTERS, may be conceded. For a precedent vide G.O., No. 1251-W., dated 20th September 1918.

2. The cost of the building for the Head Mistress and one Assistant is estimated at Rs. 2750 as against the permissible limit of Rs. 1080. The plan of the proposed building is kept below. The accommodation proposed for the Headmistress is somewhat on an extravagant scale when compared with what she has now. It seems that some reduction is possible in that direction. Further use of cheaper materials may result in a reduction of cost.

The Public Works Department may be requested to scrutinise the estimates on the lines indicated above.

The estimates have been scrutinised in the Office of the Chief Engineer, P.W.D. and his remarks are contained in the note read above. As a result of the scrutiny, the amount of the estimate has been reduced to Rs. 2370 and the same is recommended for approval.

Necessary alterations have been made in the draft order already submitted and it may now be sent to Law (Education) and Finance Departments for acceptance.

It is presumed that orders as to the quarters being rent free, will be issued in Law (Education), as in the case of Cannanore - Vide G.O.No 1251 Home (Education) dated 20th September 1918.

The policy of Constantip Smalan
In School mistresses requires
further examination now.

There are about 200 cases in
which quarters were printed
free.

Since 1914 this particular case
in Setip on audit Complaint.

There seem to be no need in -

of Wallajah is such a place that
the teachers cannot get quarters
to stay. I could expect that
it does not afford any reason
for the continuance of the school.

This question of policy should
be reviewed.

Please bring up on the 5th Nov
an inquiry from this -

19/10/18 Nov 21

As regards the policy of granting
free quarters to school mistresses attention
is solicited to the following papers:—

- (1) Letter from the Govt. of India No. 1037, of 21-12-08
printed on page 2 of G.O. 25 Ed. of 15-1-1909.
(2) Paras 3 and 4 of the letter to India,
No.

N^o. 684 Edg., 27 26.7.1912.

(3) Para 2 of Govt. of India's letter N^o. 2205 of 16.7.12 on page 2 of J.G.O.

N^o. 930 Edg., 27 18.10.1912.

(H) Para 2 of Govt. of India's letter N^o. 944 of

1.7.1911 on page 2 of J.G.O. 58 Edg., 27

20.1.1913 and ...

(5) Para 5 of India's letter N^o. 242 of

16.3.17 on page 3-4 of J.G.O. N^o. 551 Home

(20), 27 30.4.1917.

From these papers it will be seen

that the Govt. of India have recognised

the expediency of granting free quarters

to school mistresses, in the interest

of the expansion of female education,

and that local circumstances

may indicate the desirability of

such a course, the concession

being permitted principally in those

cases where school mistresses are

living alone. His Govt. did not,

however, pass any general orders in

the matter but decided to consider

each case on its merits. Vide para 5

of the D.P.D.'s note on pages 3-4 and para

3 and 4 of the Finance Dept note on pages

of the notes to J.G.O. N^o. 1164, Home (20), 27

2. 9 When the question of building free quarters for the head mistress and two Asst. mistresses of the Govt. Girls' School, Calcutta, was under consideration in 1915 Lord Pentland ^{observed} ~~stated~~ that the grant of free quarters was the least costly and most gradual method of meeting the difficulty in obtaining and keeping suitable ~~and~~ qualified ~~female~~ teachers, and though he considered that free quarters were not only desirable but necessary in the case of the Calcutta School, Sir Harold Smart suggested that the levy of rent should be tried at least to begin with, in that school. Lord Pentland did not then press his views and it was decided to levy rent from the headmistress and two Asst. mistresses of the school. - Vide page 2 of the notes to J.G.O. N^o. 941 Wd, 27.5.1915.

The question was, however, reconsidered in 1918 and the headmistress and two assistants of the Calcutta School were permitted to occupy the quarters provided for them free of rent. - J.G.O. 1251, Home (20), 27 20.9.18. Attention is ~~of~~ ~~the~~ solicited to the D.P.D.'s letter printed in the J.G.O. and Lord Pentland's and Sir Alexander Cardew's notes on pages 2 and 3 of the notes to the same J.G.O.

I do not desire to lay my views personally before the Minister with regard to the proposal to disallow the proposal of the D.P.I. to extend the concession of rent-free quarters to the two assistants of the school at Wallajahpet.

In my letter to Government, dated 18th May 1921 I did not propose the grant of rent-free quarters to school mistresses generally as I do not consider that the grant of rent-free quarters to school mistresses should be made general. If, however, the intention is to refuse to consider any proposal of the D.P.I. for the erection of a building for the rent-free accommodation of the headmistress of a school I should like to lay my views personally before the Minister in charge ^{and} before His Excellency the Governor in as much as I am convinced that cases do arise where the provision of rent-free accommodation for the headmistress is necessary.

11.11.21

Law (221) Dept.

The two assistants of the Wallajahpet school may be required to pay rent for the quarters to be provided for them. A revised draft order is submitted for approval.

2. Para 2 of the D.P.I.'s note above.

The headmistress of the Wallajahpet school will continue to enjoy the concession of rent free quarters which has been granted to her already. The intention of the D.P.I. is to extend the concession to the two assistants of the school.

14
pg ante
of the Honble the Minister is that the concession of rent free quarters should be refused to any officer and hence headmistresses will not have the benefit. With reference to the last sentence of the D.P.I.'s note on page 11 ante it is subd. that the Dir may say again he informed of this intention so that he may lay his views personally before M₃ + H.E.
