Station Mangalore, Dated the 2nd November 1921. 191

From (Name) M. R. R. Rao Bahadur N. Subba Rao AYL.

(Designation) President, District Educational Council, South Kanara, Mangalore.

To The Secretary to the Government of Madras,
Law (Education) Department.
Madras.

Sir,

With reference to G.O. No. 1300 Law (Education) dated 14th September 1921, I have the honor to submit that it is not only anomalous but also derogatory to the prestige of the non-official Presidents of District Educational Councils to recommend to the Collector the names of persons to be nominated rather than submitting the nominations themselves for the approval of the Government. The Collectors are only ex-officio members of the District Educational Council and to allow him to

to nominate others to the Council will lead the public in general, to consider that the Government has no full trust and confidence in the non-official Presidents. I submit that the President of the District Educational Council may be brought in the same line with the non-official President District Board, regarding the power of nomination. The Government may order that the President should consult the Collector. Neither Section 5 nor any other Section of the Act lays down that the Collector is the authority to communicate names of desirable persons for nomination to the District Educational Council. I therefore request that the Government may be kindly pleased to reconsider the order quoted above. I am addressing this letter on the ground of principle and I am willing to obey the Government order. As a vacancy of a nominated member has now occurred in the Council, I request the favour of early orders of Government.

I have the honor to be,

Sir,

Your most obedient servant,

M. S. P.
President.
District Educational Council

Ref. C. No. 136/D.E.C., d/2.11.21

For orders whether Govt. would be prepared to re-consider No. 1300 Edn, d/14.9.21, as decided by the President. Attention is also directed to O.M. No. 4476/A-1, d/27.9.21 wherein the Govt. returned a recommendation to fill a nominated seat, because it did not come from the Collector.

Now want of trust in ~~reconsider~~ the President is meant by considering the Coll: as the authority to re-commend. The comparison with the President of the St. Board is not altogether right. In a President of a St. Board ~~much more~~ ~~different~~ much better qualifications; administrative character are looked for than in a President of a D.E.C. It may happen that one with the former qualifications may be available for the presidency of a D.E.C. and as in the present case the same gentleman may be the President of both the institutions and St.

such occasional happenings cannot
be taken as the basis for a general
rule. D. E. Cs are of recent birth
and ~~for some time~~ ^{for some time} ~~at least~~ the
interests of several agencies en-
gaged in education will have to
be safeguarded carefully to render
the institutions popular. Generally
the Collector himself will be guided
by the nominations made by the
Principals unless they are palpably
untenable. The fact that the Coll.
is only an ex-officio member does not
affect his status, nor render him
less competent to examine the
Principals' nominations before sub-
mission to Govt. As the head of the
D., the Govt. will have to depend
upon the Coll. ^{in this above} for the general ad-
ministration of the D. & the public
institutions therein. No other Principal
has complained of the order. We
may regret our inability to reconsider
the P.O.
