The member apparently has in mind the resolution moved at the meeting of the Leg. Council held in Feb. last - and acceptably Gov. The necessary amendments to the Mad. Ed. Rules and the Grant-in-Aid Code have been sent to Gov. by the S.P.I. and the draft has been sent to the Finance Dept. for acceptance.

2. The half-fee concession is confined only to poor Mahamadan ~~and not to the pupils - rich or poor~~ and Panchana pupils. The following draft answer to Sub. for approval:-

(a) The Gov. have no information. The "Concession of half-fee is allowed only in the case of poor pupils belonging to the classes and communities mentioned in rule 102 of the Mad. Ed. Rules.

(b) All orders of Gov. in regard to the levy of fees are communicated to the ^{to the} ~~the~~ Inspectors of Schools ~~of 201~~ of 201 institutions and the Gov. see no need to issue any special instructions in the matter.

U.O. Reply No. 516 D/14.9.21

The interrogator desires that the half-fee concessions be granted to all Muhammadans and Panchamas, whether they are rich or poor and whether they are reading in Government institutions or whether they are reading in institutions under private management--- I have discussed this matter in person with him recently---and he presumes that the resolution moved in the Legislative Council in February last and accepted by Government would give him these concessions. The resolution accepted by Government, however, does not give him these concessions and his question is based on the assumption that it does.

Presumably Government will issue orders on my letter suggesting the necessary amendments to the Madras Educational Rules and the Grant-in-Aid Code before the next meeting which begins on the 12th of October. If so, I suggest that the following answer be given:-

'Attention is invited to G.O. No. 1405 ^{Law (Ed.)} dated 26.9.21 which will be communicated to heads of educational institutions and to inspecting officers.'

The draft answer proposed by the D.P. J. at A on page 4 asks ^{does not meet} clause (a) of the Question. Perhaps too a clause somewhat to the effect - "It should be remembered that the concession of half fee is allowed only in the case of the poor pupils" may be added to the answer proposed by the D.P.J.
